On July 29, 1970, a Revolutionary Union (RU) study group met at VONDA BLACK's residence, 1630 Longview, San Jose, at 6:30 p.m. DAVID SHEN was in charge and there were [redacted] present.

The group studied "Quotations from Chairman MAO Tse-tung". The group was still in the first chapter and centered their study on a quotation located on Page 3 of this book which states, in part: "...a well disciplined Party armed with the theory of Marxism-Leninism, using the method of self-criticism and linked with the masses of the people; an army under the leadership of such a Party; a united front of all revolutionary classes and all revolutionary groups under the leadership of such a Party -- these are the three main weapons with which we have defeated the enemy".

SHEN stated that the RU's philosophy follows the above-noted theory since the RU is based on Marxism-Leninism.

SHEN went on to say that the membership can expect a large amount of recruiting from RU among the Chicanos and the blacks which follows the philosophy from the above quotation "a united front of all revolutionary classes and all revolutionary groups under the leadership of such a Party".

There was quite a bit of discussion among those present concerning the above.

LUCY said that she was on the Defense Committee for Soledad. She stated that there are about seven to eight Communist Party (CP) members on this committee. LUCY pointed out that from her experiences on this committee, the CP "beats around the bush". They are engaged in a lot of talk, but they don't accomplish anything.

At the end of the meeting, each person was given a quotation to learn and to discuss at the next study group.

Those present were:

HARTLINE said that the RU is really "snowballing" in Santa Cruz. There are approximately sixty (60) persons involved. Most attend the university. Eight or nine of these people are in the Workers Collective or a group comparable to a collective which is very small and not too active because there is not much industry in Santa Cruz. The groups in Santa Cruz do not go by the name RU, but RU members are present and organizing.

HARTLINE mentioned the student organization but couldn't recall the exact name, but it was something like "Student Radical Activist or Activity".

MARY LOU stated that in San Jose the RU has three collectives - the Workers Collective, Student Collective, and Community Collective. These collectives meet once a week. Each has a chairman chosen by members of the respective collective. Each chairman plus one other member of the collective attends the local executive meetings in San Jose, which are held once a week.

[redacted] people from each local exec ([redacted] from each collective making up the local exec) attend Central Committee meetings of the RU, which are held once every two months. There is also a Political Committee which meets once a week and consists of persons of the Central Committee. The Political Committee is concerned with political questions and ideology. In the Bay Area there are [redacted] on the Central Committee. Also to be noted is the fact that the Political Committee sends back recommendations to the Central Committee.

Out of the Political Committee is a Steering Committee which meets once a week. The job of this committee is to see that decisions made by the RU are carried out. Each metropolitan area, such as San Jose, has a coordinator. Persons in that particular area know who their coordinator is but members in one area do not know the coordinator in another area. The coordinators know each other. San Jose's coordinator is MARY LOU GREENBERG. There is also a head coordinator for the RU, and this is BARRY GREENBERG.

There are five (5) RUs in the Bay Area - San Jose, Palo Alto-Redwood City, San Francisco, Berkeley-Oakland, and Richmond. There are also RUs in the states of Washington and Oregon and also in the city of Chicago.

BARRY GREENBERG is leaving next week to set up collectives in New York.

Barbara Kingston chaired the meeting, and it started by discussing the Local Exec Report, which is included with this report. Then there were two Peking Reviews handed out, numbers 28 & 29.

Next, Babara Kingston gave a work report, which was really a personal development report. She simply talked about how she had grown and progressed in the R.U. and told of faults that she had over come, and of others that she had yet to over come. She says she still has Petty Bourgeois tendencies, coming from her back-ground and how she was raised. Said her father is a doctor, and her mother is a teacher, and said she herself had spent six years at Stanford Univ.

She stated that she and Steve Smith were due to leave for Detroit around the 15th of August, to organize and R.U. in that area.

It was stated by Mary Lou Greenburg that Barry Greenburg had driven to New York in a '63 Studebaker with someone else, to try and get the R.U. going in that area, and on the way back would be stopping in various cities to see what could be done to further the cause of R.U. Baltimore, Maryland was mentioned specifically.

It was dicussed in the meeting that we would now had to arrange some baby-sitting standards for the families now in R.U. There are 8 children in San Jose, in the R.U.

Meeting was ajourned at 1:30 P.M.

The Revolutionary Union (RU) [FOIA b 7 - D]
meeting was held at 9:15 a.m., August 17, 1970, at 145
North King Road. Those present were:

[FOIA b 7 - D]

LUCY O'NEILL, telephone number 295-3477, is a new
member of the [FOIA b 7 - D]. She mentioned that her
husband, DAN O'NEILL, is not an RU member. He is an activist
but believes in working as an individual. He is not identical
with DAN O'NEAL, the activist at San Jose State College.

The local executive report was handed out.
MARLENE announced a meeting at the Welfare Office. She
wanted RU members to attend this. She pointed out that one
family had a truck which was the only means of transportation
for the family, consisting of ten children. She said the
Welfare Department made the man sell the truck.

BETTY GOFF was elected the new Treasurer of the
[FOIA b 7 - D]. An amount of \$123 was turned over to
her. NANCY KINCAID was named as the new Security Officer for
the Collective.

STEVE SMITH reported on conditions at Elmwood. He
said that 8 or 10 inmates are on "dope" STEVE said he
stayed with the Pittsburg-Des Moines group while at Elmwood
and realizes now he should have made friends among some of
the prisoners so that he could contact them after he got
out of jail.

[FOIA b 7 - D]

AUGUST 17, 1970
SAN FRANCISCO, CALIFORNIA

Physical fitness and nutrition for RU members was discussed. BETTY GOFF suggested all members do Royal Canadian Air Force exercises. MARLENE pointed out that the young members of the RU don't eat right and are usually weak. They discussed the possibility of having groups do "group cooking, group laundry, and group housework".

VONDA BLACK wants off the "Maverick" work team because her son, JERRY, who was injured in an automobile accident, is now home and is unable to wait on himself.

MARY LOU GREENBERG suggested that all members try to go to Oakland to a welfare meeting where REAGAN's proposals would be objected to. It was decided to send MELODY HARTLINE as a delegate.

HARTLINE announced she would be leaving for Cuba on August 20, 1970.

It was announced that PERRY HARTLINE has moved to a street collective which is made up of students, prostitutes and "street people". This new collective consists of approximately five (5) members and they concentrate on First Street.

MARY LOU GREENBERG announced that all [redacted] members should meet with BETTY GOFF and receive instructions on position shooting, breathing, and field stripping of weapons. It was said they could park their cars several blocks from the GOFF residence so that the neighbors would not be suspicious.

BARBARA KINGSTON and STEVE SMITH will leave Tuesday, August 25, 1970 at approximately noon for Detroit, where they are planning to start an RU collective.

Information Received From Various Contacts
with RU members During Past Months

BARRY GREENBERG stated recently that he had already met with DAVID HILLIARD of the Black Panther Party (BPP) and HILLIARD had said that the Revolutionary Union (RU), as a multi-national organization, is a good idea, and that the Black Panthers and RU could work out a compromise.

NANCY KINCAID is to start high school in September at Overfelt. She will attend this school in order to organize a high school collective.

JOHN KINCAID is employed at Luckys Grocery Store, Frozen Food Department, which is located at King and Story Roads, San Jose, California.

JOHN KINCAID is a member of the Workers Collective. He is 5'6", weighs 150 pounds, is a white male, approximately 20 years of age, has brown hair which is worn slightly long.

MARY LOU GREENBERG is to travel to Portland, Oregon with BRUCE FRANKLIN next Tuesday for two days in order to attend some kind of meeting. The GOFFs are to keep the GREENBERG child, DEBBIE, while MARY LOU is gone.

San Jose [FOIA b 7 - D]
Meeting, RU, August 25, 1970

The San Jose [FOIA b 7 - D] of the RU met at 8:30 a.m., August 25, 1970, at 145 North King Road, San Jose, California. LUCY O'NEILL chaired the meeting and there were [] persons present.

At the beginning of the meeting, the last local executive report was passed out for reading.

STEVE SMITH and BARBARA KINGSTON were given an automobile to be used for revolutionary work and this car

[FOIA b 7 - D]

was donated by a man, not a member of the RU, from Milwaukee, Wisconsin. The car was signed over to him by his father in 1968. The RU has a Wisconsin title showing 1968. The RU scratched out this date and forged a 1970 date in order to obtain a 1970 title. The car will possibly be given to DEAN GRANHOLM, 1997 Poco Way, Apartment 9, San Jose, California, phone 272-0770. GRANHOLM is a member of the San Jose Community Collective and needs an automobile. He will possibly try to get the title in his name. If he is unable to do this, VONDA and VERNON BLACK will have the title changed in their name. The man who gave the car to the RU is returning to Wisconsin.

STEVE SMITH announced that he still has a lot of books to sell and suggested that they be sold at the Stanford Campus during the first few days of the school semester.

MARY LOU GREENBERG announced that there is to be a picket strike by City employees in the Muni Union which will be at First and Mission Streets, 12:30 p.m. August 25, 1970.

In connection with physical fitness, it has been decided that everyone will do the Canadian Air Force exercise program. Also, everyone is suppose to stop smoking. Smoking is not allowed at the present time during collective meetings. Also, affinity groups are to be organized for rallies and demonstrations and will consist of from three to five persons which are suppose to stay together during disturbances in order to help each other. One person must know first aid. Each group is to have a lieutenant and an assistant lieutenant. MARY LOU and one other person will contact each member individually to tell them what group they will be in.

There was also a discussion on how to raise revolutionary children, sharing of housework, and cooking. This was a long discussion and the only thing that came out of it was that mothers are too possessive and other members should be allowed to come into other member's homes and help them take care of the children and learn about the various operations of taking care of a home.

During the discussion of firearms proficiency, it was noted that BETTY GOFF will teach each person how to break

AUGUST 26, 1970
SAN FRANCISCO, CALIFORNIA

down an M-1 Carbine rifle. She will also teach firing positions and proper breathing. BETTY GOFF is suppose to check with each member individual and find out what firearms these persons have in their house and give them advice on the purchase of additional weapons.

VONDA BLACK indicated that she did not want to make "Maverick" meetings because she wanted to spend more time with her children. She was severely criticized by those present and it was pointed out that her children are old enough to take care of themselves at least on an occasion. VONDA reconsidered after this discussion and after the discussion on revolutionary children, and will probably write at least one article in the "Maverick".

NANCY KINCAID is security officer for the Community Collective and it was noted that there hasn't been a security meeting for some time. MARY LOU is to take this up with the Local Exec.

A family picnic on Labor Day weekend is planned for all San Jose RU and anyone who wants to attend. It will possibly be at Happy Hollow in Kelley Park, San Jose. VONDA BLACK and NANCY KINCAID are to make plans and notify the rest of the membership.

BARBARA KINGSTON and STEVE SMITH are to leave Wednesday or Thursday, August 26 or 27, 1970, for Detroit, Michigan by car. They will travel to Utah and Wyoming and plan to go camping on the way.

BARBARA and STEVE were provided \$80 by the Collective for the trip. NANCY and JOHN KINCAID are to pay this money back to the RU because they borrowed this amount from BARBARA and STEVE and have not paid it back, as yet. Therefore, BARBARA and STEVE borrowed the money from the collective.

MARY LOU GREENBERG mentioned something about youth work collective, however, there were no plans as yet.

Next meeting of the collective will be next Tuesday, 8:30 a.m. at 1863 Poco Way, Apartment 3, which is the KINCAID residence.

FOIA b 7 - (D)

BARRY GREENBERG will be at the next meeting as he is returning to San Jose Wednesday or Thursday of this week.

LUCY O'NEILL chaired this meeting. The local exec report was handed out and ready.

There was a long discussion concerning the Political Committee of the RU. The collective did not think that they had enough say so in RU policy making. An example of this was that BARBARA KINGSTON and STEVE SMITH were told to go to Detroit by the Political Committee. This was done without the knowledge or concurrence of the Collective. The Collective has decided to recommend to the Political Committee that this type of decision as described above be handled in such a manner that the Collective involved would have some say so concerning any decision made.

There was more discussion concerning the formation of affinity groups but nothing concrete was decided.

"Maverick" distribution was discussed. NANCY and JOHN KINCAID are in charge of distribution. Plans were made to sell "Maverick" at the various stores in the San Jose area. It was announced that the RU will hold a family picnic at Alum Rock Park near the playground area on Sunday, September 6, 1970. The picnic should last most of the day.

MARLENE CHARYN gave a report on the lettuce strike in Salinas. She noted that a lot of hippie-type radicals from the Santa Cruz area were at the strike. The girl hippies were using obscene language and MARLENE did not

think that this was a good idea. Some rocks were thrown by the Spanish-American strikers. They did not like this because they did not want any violence.

LUCY O'NEILL advised that the inmates at San Quentin are calling for a demonstration to start at 9:00 a.m. today. 800 of the inmates in the prison have been on strike for a week. MARY LOU GREENBERG, LUCY and DANNY O'NEILL were planning to attend the demonstration today.

LUCY said that the Defense Committee for the Solidad Brothers was planning on asking various RU members and Black Berets to come in and give political study groups. NANCY and JOHN KINCAID are planning a vacation for two weeks and they plan on going camping.

A list of equipment that should be acquired by RU members to be worn during demonstrations was handed out. Equipment to be acquired as follows:

- Helmet
- Gloves
- Army jacket with inside-outside pockets
- Two large sized handkerchiefs (one to be kept dry, the other to be dipping into vinegar to combat effects of teargas)
- A sturdy stick with a red flag attached
- The men should have a cup (to cover private parts)
- Women should have padding to cover breasts
- Each member should try to carry a first aid kit
- Also a good pair of light-weight, sturdy boots, blue jeans and a dark shirt

Copies of the Canadian Air Force exercise books were handed out to members who did not have one. Also handed out was a paper of the structure of the RU and how it will have to change to become a multi-national group.

Others present were:

FOIA b 7 - D

First on the agenda was a discussion of the local exec report.

There was also a discussion concerning the People's Festival and it was decided that this should be cancelled for the Fall; however, it may be held in the Spring.

Political education meetings of the Santa Clara County Workers Committee were discussed. The first meeting is to be held September 20, 1970 at Miller School. All RU members are to be encouraged to bring one other person to these meetings. This other individual should be non-RU. Recruiting for the meetings will be by male, by talking to neighbors, and by handing out leaflets with copies of the "Maverick".

The current General Motors strike was discussed. MARLENE stated that she was at the strike scene yesterday. She said that it was kind of wild. There was some rock throwing and bottle throwing and trash in a garbage truck was burned. Also, an ambulance hit some people so workers dragged the driver of the ambulance out and beat him up.

RU members are to go out to the strike and try to pick out the most militant workers and cultivate them.

The local exec has appointed a work team to handle the strike. MARY LOU GREENBERG, MARLENE CHARYN, DAVID SHEN, VERNON BLACK, and CHRIS MENCHINE are to be on this work team. It will be their job to keep the disruption going. RU will try to tell the workers not to listen to union officials about making settlements. RU may set up information booths

later on at the strike.

BETTY GOFF and VONDA BLACK were selected for the Santa Clara County Workers Committee work team in order to put this committee on a functioning basis.

At Twelve Noon today at Palo Alto, a meeting of the RU work team for the General Motors strike and the Black Caucus of the Black Panther Party, also from General Motors, will be held at the Pacific Studies Center in Palo Alto.

Order of business was as follows:

- (1) LARRY GOFF passed out the notes on the local Executive Committee meeting and the notes were discussed.
- (2) DAVID SHEN gave a report on the General Motors strike situation. About the only thing notable about his report is in reality he is doing nothing.
- (3) LARRY GOFF gave a work report. He works at the Ordnance Division at FMC and is engaged in making tanks. He indicated that he is organizing a caucus at FMC. He described various incidents at work and indicated that the caucus is pushing to have fans installed. One of the things he mentioned was the fact that at a company party he and his wife sat in chairs which had been reserved for supervisors.
- (4) It was announced that the Summer Offensive is over and has now been changed into the Fall and Winter Offensive. The Summer Offensive did not really happen and was a failure and so is being continued in the Fall and Winter.

Present at this meeting were:

(1) The Committee decided that a positive training program must be developed and implemented. At the next meeting the Committee members will discuss safety and will learn the breaking down and nomenclature of the M-1 carbine and the members of the Committee will then be responsible for insuring that the members of their collectives know how to break down the carbine.

(2) It was recommended that the San Jose RU have standard guns and cartridges. The standard would be the .30 caliber M-1 carbine and the 30.06 M-1 Garand or any other rifle using the 30.06 cartridge. For handguns the standard will be the .380 automatic high velocity cartridge and the 9mm cartridge. Since some people, particularly in Palo Alto, have .45 automatics, the .45 automatic cartridge will also be standard. During the course of this discussion, LARRY SNYDER displayed two guns, a ~~.380 Colt~~ automatic and a .380 HMC Mauser.

9mm Browning

(3) It was also decided that certain individuals will be designated to obtain and maintain reloading equipment and that regular proficiency classes will be held.

LARRY also stated that there will be a big gun show on the coming weekend, 10/3-4/70, at the San Jose County Fairgrounds and that a lot of RU people, as well as other movement people, will be there.

A color photo was observed and the individual is identical with JEFF BROWNING except that JEFF has now shaved off his moustache.

- (2) There was a discussion of safety rules.
- (3) The first class was laid out for the collectives and they will include a discussion on safety and stripping and cleaning of the M-1 carbine.
- (4) Members of the Proficiency Committee are to obtain a list of weapons possessed by members of their collectives and bring this list to the next meeting. The purpose of this is to know what weapons are on hand and who has them in order to work out how the weapons can be shared.

Lastly it was announced that there would be gun shows the following weekend in San Jose and Lodi, California. CHRIS MENCHINE mentioned that he has an M-1 carbine for sale for \$90, a 9mm Astra automatic pistol for sale for \$50, and requested that the members of the committee let this be known in other collectives in the event anyone wished to purchase the weapons.

She was formerly at San Jose State College, is aged about 20, has long straight blonde hair, 5'3", is plump, and apparently overweight and has pale skin. She has been observed in the past hanging around with CHRIS MENCHINE at the Jackson Street address.

The Executive Committee notes were passed out and items in the notes were discussed point by point. There was a long discussion lasting almost an hour and a half on the Black Panther caucus at General Motors and the RU's criticism of this caucus and its efforts to aid the caucus in the strike. At the specific request of the Black Panther caucus, the "Maverick" will not print an article attacking the union at General Motors. FOIA b 7 - D

Two extremely important documents were passed out. One "Becoming a National Organization -- A Report to the Central Committee" is considered to be the most serious thing to come out of the RU to date and is probably pretty accurate in its content. Although this paper was supposed to be written by BARRY GREENBERG, it is believed the style reads more like LEIBEL BERGMAN. The paper is pretty self-explanatory and a copy is being furnished. The blanks in the paper refer to the Political Committee. The other paper, a copy of which is furnished, was entitled "Build the United Front Among the Broadest Section of Youth and Students, Under the Leadership of the Proletariat and Proletarian Ideology."

There followed a discussion of the SCCWC and it appears that this organization will go out of business as a reality after the next meeting and will exist only in name.

FOIA b 7 - D

LARRY GOFF continued with his self-criticism during which he mentioned that he and his wife had spent a year at one time in Costa Rico or Panama as missionaries. He realizes now that his former religious activity was foolish and that he has now found the true religion in Marxism-Leninism, MAO Tse-tung thought.

[redacted] Meeting At
the Home of MIKE LNU on Poco Way,
San Jose, California, 10/15/70

Present were: [redacted]

FOIA b 7 - D

[redacted] MIKE lives with a fellow named PERRY. PERRY left before the meeting started and is not known to be a member of the RU. PERRY is not identical with PERRY HARTLINE.

A paper was passed out on the gun laws and then CHRIS MENCHINE read an outline on teaching methods, which indicates that the following matters will be gone in to in class: Safety, the various Gun Control Laws, the M-1 Carbine, and finally Handguns. Those present then practiced the various firing positions.

Meeting of the San Jose RU
[redacted] At
the Home of LARRY GOFF,
Friday, 10/16/70

Present were: [redacted]

FOIA b 7 - D

The order of business was as follows:

(1) RON GRACIA gave a report on his work and he works at Frey Supermarket, and he may be eligible to go into the Army. There was considerable discussion on whether or not RON should go into the Army and it was finally decided that he should not. Apparently RON lives with an alcoholic and it was suggested that he should try to move into a new place because his roommate poses a security problem. RON is very shy and almost appears as if he is in a trance most of the time. It is possible that currently or at one time he was on pot.

(2) DARRELL GROVER then gave a training and weapons report that went over safety rules and the ILS paper on gun control laws.

(3) DARRELL GROVER then spent almost two hours on work report, which is going to be continued at the next meeting. GROVER indicated that he is active working in his union and on the job. At this point MARY LOU GREENBERG said

FOIA b 7 - D

that GROVER should be playing a more public role on the job and also said that GROVER should socialize more with other RU people.

(4) LARRY GOFF then said that he has recruited two people at FMC. He did not identify these people. However, he indicated that one is a driver in the hot rod speedway races near San Jose. ~~GROVER~~ ^{GROFF} said that these two guys will be in the Collective within a few weeks although they are not politically aware. However, the current trend appears to be to recruit workers no matter what their politics and then train them.

Two papers were passed out at this meeting, one on Student Work in San Jose and the other apparently a monthly report on Political Committee meetings. (Copies furnished.)

LARRY SNYDER

At the Proficiency Committee meeting LARRY SNYDER indicated that he will be going to a gun show in Los Angeles during the coming weekend.

PAUL SAMPSON

There is an individual named PAUL that lives with ANGIE KALVELAGE, MIKE FOX and CHRIS MENCHINE on Blazer Way. It is possible that this is PAUL SAMPSON; however, this has not been established to date.

BARRY GREENBERG gave a report on his trip through the nation during the summer. He stated that there had been a lot of success and that he spent a good part of his time in New York City. He also visited Chicago and Pennsylvania as well as other places. Committees were set up in these various spots which are in turn suppose to start RU collectives. Persons in New York and Chicago requested that five (5) people be sent to each place from San Jose to help organize. BARRY refused and said that there were not enough qualified people in San Jose to send.

GREENBERG also said that there are over 350 people in the RU in the Bay Area.

He mentioned that he plans to take a trip next month down south to do more organizing. He advised that the "Maverick" and the RU are already well known wherever he went. He stated that the RU will be a national organization in six months. GREENBERG also noted that he visited the author WILLIAM HENDON, who resides in Reading, Pennsylvania.

GREENBERG also mentioned that in December, there are plans to have a national convention of the RU in Chicago, Illinois. He stated that it has not been decided whether this convention will be open or secret. GREENBERG wants it to be open.

SEPTEMBER 8, 1970
SAN FRANCISCO, CALIFORNIA

BARBARA KINGSTON and STEVE SMITH recently called VONDA BLACK and reported that they are now in Detroit, Michigan.

There will be a Tenant's Union demonstration on Tenth Street near the San Jose State College campus this Friday at 11:00 a.m. Plans are to demonstrate outside of a house of a landlord who owns apartments near the campus and charges exorbitant rents to students. The Tenant's Unions at the Sunnycourt Apartments and the Pink Elephant Apartments plans on supporting this demonstration. Also, there are plans to have speakers. Individuals involved are trying to eventually organize a city-wide tenant's union through such activities as described above.

On September 20, 1970 there will be a political education meeting to take place in connection with the Santa Clara County Workers Committee. Plans are to make this a regular activity.

A People's Festival is planned for October in San Jose. This will be a carnival based on communism to be held with booths for making money.

DEAN GRANHOLM gave a work report. He stated that before he came to San Jose, he was a student at the University of Santa Cruz. He said that he was a radical at the university but that he got tired of everybody talking and not doing anything. He advised that he "digs" Marxism and Leninism but while at the university, he did not know how to apply it. He noted that he has worked on the "Maverick" and also was fairly active in the Pink Elephant Tenant's Union for a period of time. GRANHOLM's job at the "Maverick" is to receive stories from contributors, choose the ones to go into the "Maverick", and then see that all the editing and layout work is done.

The treasury has \$15 in it at the present time.

The next meeting will be this coming Tuesday at 9:00 a.m., 145 North King Road, San Jose.

After the meeting, it was learned that JEFF and MIKE FOX possibly live together, according to GRANHOLM who is a friend of theirs.

First thing discussed was safety. It was decided the safety regulations would be mimeographed and then handed out to the members.

It was announced that there is to be a gun show in San Jose at the fairgrounds. RU members should give their money to SNYDER so that he can purchase guns.

CHRIS MENCHINE announced that he knew a person who had a 9mm pistol for sale for \$50 and a .30 Caliber carbine for \$90 and that RU members should be informed if they want to buy these guns.

Those present field stripped a carbine and named the parts, disassembled the bolt and then re-assembled the weapon. This took them about one hour.

Manuals on the .30 Caliber carbine were provided to DARRELL and GOFF and the RU plans to order more of these manuals.

The group went through a lesson plan which is to be used for teaching members. The plan will cover the following points: safety, field stripping and naming parts, cleaning, re-assembling the weapon, sight fixture, firing positions, and range procedure.

CHRIS MENCHINE is to request the Local Exac to purchase a reloader for .30 Caliber carbine ammunition to be used by the RU.

There was a San Jose Revolutionary Union (RU) meeting held on September 25, 1970, 7:00 p.m. at the residence of LARRY SNYDER, MIKE FOX, CHRIS MENCHINE, ANGIE KALVALAGE, located on Blazer Way, San Jose, California.

LARRY chaired the meeting. Others present were:

FOIA b 7 - D

This was the first meeting of the group and they discussed primarily what each member should be taught concerning firearms. The group made a list as follows:

Safety

Breakdown and naming of parts of weapons

Firing positions

The committee plans to set up a lesson plan

There are three main weapons that RU members are encouraged to buy. They are:

.30 Caliber Carbine

Semi-automatic 30.06 rifle

9mm semi-automatic pistol

Some members already own Mauser HSC 380 semi-automatic pistols and .45 Caliber semi-automatic pistols.

RU members are encouraged to buy only semi-automatic weapons. RU members are also encouraged to have a shotgun in their homes.

At the meeting, the Committee plans to breakdown

FOIA b 17 - D

a carbine, and memorize the parts so that they can teach this to each member of each collective.. They also plan to formulate a lesson plan.

The committee members are also suppose to go to the members of their collectives and determine what weapon each member owns. This information is to be brought to the next committee meeting, if possible.

SNYDER is the RU contact for buying guns. SNYDER says that he does not go to the Mountain View gun shows because they ask a lot of questions and the FBI has investigating one person that SNYDER knew who went to one of the shows in Mountain View. SNYDER also said that it is best to go to the shows that are held 50 to 100 miles away from the San Jose area.

SNYDER indicated that there are a number of weapons at Blazer Way. He displayed two weapons from this house -- a 9mm semi-automatic pistol made in Belgium but with a U.S. Company name on it and a Mauser HSC 380 semi-automatic pistol manufactured in Germany.

SNYDER also said that he has just purchased a 3.06 Garand semi-automatic rifle.

FOIA(b) (7) - (D)

JOHN KINCAID, code name IRVING, said that he felt that he would be more useful in the Community Collective. The majority [redacted] disagreed. They wanted him to give a complete work report next week, showing what he was doing with his time, finances, etc.

There was a work report from DAVID SHEN, which lasted about 1 hour and 50 minutes and very little of consequence was contained in the report. The Collective criticized it and said that there was nothing to it. LARRY GOFF said that there was nothing in SHEN's report to show SHEN's love for the people that he was working with and there is nothing to show how SHEN was serving the people's needs. GOFF then related, however, he tried to relate to the people he worked with. He stated that he felt like a "mother hen toward his fellow employees" as he tried to lead them down the right road. The Collective approved of GOFF's comments.

The newspaper "Maverick" was discussed. GOFF was the only one present at the meeting who had prepared a written criticism of the "Maverick". MARY LOU GREENBERG asked why no one else had one prepared.

A paper entitled "Forging a Fighting Revolutionary Organization" was handed out. The members are to read this paper and prepare a criticism which will be aired at the next Collective meeting and then sent on to the Political Committee for action.

ANGIE KALVALAGE's work situation was discussed. The collective decided that she is to quit her job in order to give more time to look for new work. She is suppose to try and obtain employment at the Telephone Company.

Present were [redacted]

[redacted] FOIA b 7 - D

The following matters were discussed:

(1) A report on Safety, which dealt with the safe handling of guns.

(2) CHRIS MENCHINE prepared a paper on the gun laws for distribution to RU members and this paper was read and discussed. It dealt with matters such as what would be a legal gun to have in an automobile.

(3) The various collectives reported on the guns in the possession of members, indicating that there are 15 M-1 carbines, three or four 30.06 rifles, 3 shotguns, four 9mm Browning Semi-automatic pistols, and a couple of other handguns.

(4) There was a discussion as to just how the classes were to be set up, whether they would be held in connection with the regular collective meetings or with the schedule for a separate time. No overall policy was adopted.

(5) LARRY SNYDER did not give any report, indicating that he had attended the San Jose Gun Show the previous week. However, some RU people are going to attend the gun show at Lodi. Specifically mentioned were LARRY SNYDER, CHRIS MENCHINE and DAVID SHEN.

FOIA(b) (7) - (D)

All the regular members were present, including JOHN KINKAID, and a new girl by the name of NANCY. She lives with LARRY CASQUEIRO. The following matters were discussed:

The Executive Committee notes were read and gone over point by point. (see last 2 pages of this memo)

[redacted] FOIA b 7 - D

(1) The Maverick. JOHN KINKAID is to sum up the Maverick work and may join the Maverick Collective. The Maverick Collective was formerly known as the Community Collective. It was mentioned during this discussion that the new member, MIKE, is in the Street Collective but was supposed to go to the Workers Collective.

(2) There followed a long discussion of the BPP caucus at General Motors. DAVID SHEN was kicked out of the caucus personally by KENNY HORSTEN. The RU will continue to pass out GM leaflets in the community.

(3) RON GRACIA, the Collective treasurer, collected the dues. A couple of people are behind in their dues for this month.

(4) There was a discussion of the formation of Affinity groups in preparation for further coming demonstration. Each member of an affinity group is to have a helmet, jacket and tear gas protection and the various groups are being set up to perform such activities, as taking pictures, communications, first aide and diversion. ANGIE KALVELAGE is to be the leader of the Workers Collective group.

(5) DARRELL GROVER made a report on the study of weapons in the Collective and the decision to hold a regular training class. GROVER suggested that the Workers ~~Committee~~ COLLECTIVE class be held for half an hour in connection with the regular collective meeting.

(6) NANCY, the new girl, gave a report on her activities. It appears that she flunked out of college and was formerly in the RU Street Collective where most of her activities were spent hanging around pool halls. NANCY is supposed to get a job and will try to get a job in the phone company or a hospital, these being the major areas of concentration for RU women. During her report NANCY mentioned that she is Jewish.

In connection with the discussion of the affinity groups, ANGIE mentioned that at the Los Siete demonstration in San Jose some Weatherman people were present with herself and CHRIS MENCHINE. She specifically mentioned JOE BLUM as being among those present.

FOIA b 7 - (D)

LOCAL EXEC MEETING, 10/3

1. A good report on the Maverick was given by the chairman of the Maverick work team. The report centered around three basic things the Maverick needs: (1) Money; (2) Research on San Jose; and (3) Stories about the people of San Jose.

As for finances, the report suggested getting an advertising manager for the paper. It was pointed out that selling papers will remain the most important way for the Maverick to support itself--not selling ads. While distribution has improved and several comrades have distinguished themselves for the numbers of papers they have sold, not enough people take this job seriously. More initiative must be taken for selling at plants by members of the Local Exec, especially. It's clear that when we sell the Maverick consistently and enthusiastically, people buy them. People at one plant who sneered at Maverick salespeople several months ago are buying the paper now.

The recommendations, which the LE agreed should be implemented are: a) An advertising manager should be appointed; b) Research on San Jose should be begun (this will be taken up in the Community Collective and in the San Jose Liberation Front); c) We should plan how to build the United Front in San Jose; d) the people on the Local Exec should be in the vanguard of these displaying energy and enthusiasm for the Maverick; e) the people on the work team should be "up" on what's happening in the news--collective discussions of current events should be considered.

It was pointed out that to develop a plan for building the United Front in San Jose, we need to scientifically sum up our work and analyze conditions much more thoroughly than we have so far. The Local Exec will be attempting to do this in the weeks to come, beginning with a discussion in two weeks, based on the paper "Becoming A National Organization." Before then, collectives should discuss the paper, concentrating on ways to implement that paper's recommendations. Based on these discussions and the summing up of our work in San Jose so far, the Local Exec will try to come up with a set of priorities for the coming months.

The advisability and feasibility of a full-time staff for the Maverick will be discussed in light of these priorities.

2. An informative report on "Street Work in San Jose" was discussed briefly. It was a good summing up of work that has gone there so far. The comrades appear to be progressing correctly--proceeding from an investigation of the needs of the people and building towards some kind of revolutionary street gang. Progress is being made in finding some young Chicanos to assist in organizing on 1st Street.

One criticism of the report--some BAD security errors were made. Comrades, in writing reports, do NOT use names. We must always ask ourselves, "What would happen if this report got into the hands of the pigs?"

3. The latest events of the GM strike were discussed briefly. Regarding the recommendations made in the Local Exec last week, (1) Assistance was offered the Black Panther Caucus in passing out their leaflets. The Caucus felt that any outside help would only make things worse. (2) An article for Focus was written on the union, the students, and red-baiting, but was not accepted by the BPC chairman, since he had said "no" to the idea previously. (3) The articles on the strike are being written for the Maverick.

The GM work team met and affirmed the importance of working with the caucus as much as possible. We must do the things we're going to do (pass out leaflets, plan rallies, etc.) and learn how to struggle with the caucus in a non-antagonistic manner over political principles. The work team is going to try and carry out the decision of the P.C. to meet and work closely with rank-and-file strikers--to develop ties with militant strikers which will last beyond the strike.

Another person will be added to the work team to assist in coordinating community activities around the trike.

4. Reports on on-the-job organizing of women due Oct. 30.
September dues due now--Oct. dues due at end of month. Pay now!

Local exec. notes were passed out by Mary Lou Greenburg, and read by everyone silently. The first topic discussed, was a talk that Marlene Charyn had had with Vernon Black, which was that Vernon thought that it was senseless to study theory when he couldn't see that it had helped all the Intellectuals very much. He criticized the R.U. in the way they handled their Collective meetings, such as talking about non-serious matters for long periods of time and not really getting anything done. Barry Greenburg then stated that Vernon Black wrong, and had an individualistic attitude, and had been that way since he came into the R.U., and had not done anything to help the organization, but in fact at times had hindered it, and his speaking in that way was a danger to the R.U. and new recruits. He brought up the example of Larry Goff, who has had a positive attitude and an understanding of the working class as well as Intellectuals, and had done more work and moved up to leadership positions faster than anyone in such a short time. There was some disagreement that Marlene thought Barry was trying to put her down and say that she agreed with Vernon, but Barry said that he was not, that he just felt very strongly about this situation and expressed himself that way.

The next topic was about a choice for Political Secretary. Lou Carol O'Neill said that she thought it should be someone that knew the Red Book well, and knew a lot of the Quotes that would apply to each meeting. Betty Goff disagreed, and said that it should be someone fairly new, that could be given an incentive to study rather than turn it over to someone that already had that practice. The purpose of this person would be to bring quotes from the Red Book into the meetings, that apply to the topic being discussed. Everyone agreed with Betty Goff, but no choice could be made at this time, because this was the last meeting of the of the R.U. It will be called the from now on, and will have a few new members from other collectives, and lose some of the ones it now has.

FOIA b 7 - D

FOIA b 7 - D

Pg. 1

It has been decided that Barry and Mary Lou Greenburg will no longer belong to a collective, because of their many administrative duties, and increased traveling due to the fact that the R.U. is becoming, or is a National Organization now. Mary Lou will attend the first meeting of the Maverick Coll. and one every so often, as she is Coordinator for San Jose area.

The next topic was about Finances. All members are to bring lists to their next meeting giving general details about their budget, income, and expenditures. This is to find out how well people are putting their money to work, and see if some comrades couldn't be helping out others who don't have as much. The treasurer will keep these lists, which will not have anyones name on them. Betty Goff is the treasurer of this Coll.

The next topic was Lou Carol's Work Report. She gave a brief history of her back ground, about half working class and half Petty Bourgeois.

She summed up her strengths and weaknesses, and these were commented on by everyone in the Coll. Her husband Danny O'Neill is a radical, but not in the R.U., ~~xxxxxx~~ People have tried to persuade him to join, namely Perry Hartline, Barry and Mary Lou Greenburg, but up until now, he has rejected anything to do with it, and wants Lou Carol to quit the R.U. ~~It~~ ^{It} was decided that this was her biggest problem and kept her from growing as a Communist. So Barry and Mary Lou are to try to talk to him again, and if this does not help, she must make the choice of leaving the R.U. or Danny.

Next, the agenda was set up for the next meeting, which will be the first of the Maverick Coll.

Barry Greenburg stated during this meeting that the Students had told him that they had a contact with someone very, very, close to the pigs that had been giving information to the R.U. about the movements and plans of the Pigs. Barry said in fact, "The Pigs have been infiltrated"!! He said that they had been told by this person that the pigs will crack down hard on the R.U. between now and election time. Everyone was encouraged to be very security minded. Every house must be armed, but not more than 6 weapons in each, and that if pigs came to the door with a warrant, to let them in, but ~~guard~~ ^{guard} then with weapons, but if they busted in, to defend yourself!!

Betty Goff was chosen to be a temporary representative to meet with a group to discuss Affinity Groups. This will meet Tuesday night, 10-20-70, place and time to be told her later.

Next meeting of the Maverick Coll. 10:30 A.M. 10-26-70, 1437 Cliffwood Dr. San Jose. ~~xxxxxx~~

Ajourned at 1:30 P.M.

at Santa Rita Womens ~~Prison~~^{prison} in Pleasanton. This demo was for Shelly Bursey, Black Panther women that had refused to testify for the Grand Jury.

FOIA b 7 - D

Upon reaching the prison, it was observed that many women had come from all over the Bay Area for this Demo, about 50 to 60. Some leaflets were brought in, and the women began to distribute them and talk to the visitors in waiting cars, that had come to visit relatives and such. At 11:30 A.M. they let the people into the parking lot. After most of the visitors had gotten into the parking lot, these women assembled and marched singing over to where the womens prison was located, they were confronted by prison guards and a tactical squad. Marlene Charyn went off to the side of the crowd and began taking pictures of the women and the advancing Tactical Squad, one of these officers went after her, and apprehended her, at which time some of the women in the crowd began to try to pull her away from the officer, and also to get the camera away from her, as it was on a strap around her neck. Jody Forester finally got the camera and began to run with it, but was also caught by an officer and thrown to the ground. She then gave up the camera and the women were given an order to disperse as it was illegal to demonstrate on jail property. The women then demanded to know whether Marlene was being arrested or not, to which an officer answered that she may or may not be, but would probably be out in a little while, and the ones who wanted to wait for her could wait outside the gate. They went to a near-by gas station to wait. Later,

went back to the prison to ask about Marlene, but she had already been released, as one of the women demonstrators was a lawyer, and had stayed and represented her, the lawyer's name was ~~Barbara~~^{Barbara}. Marlene was finally brought back to the gate of the prison where she met with

Marlene stated that she had been given the choice of either destroying the film and not being arrested or keeping it and being prosecuted, as it was illegal to have a camera on that property and there was a sign at the front gate stating this fact. She destroyed the film so they let her go. There are supposed to be more Demos but no definite plans at this time. Many of the women there were from Womens Liberation Front, and some were from R.U. of the Bay area.

Ann Shearer was there for Womens Lib., and it was stated the her husband

Bob Shearer had just returned recently from visiting Red China, North Viet Nam and other places. Ann Shearer is 5'7" tall WFA 135Lbs. long blond hair, resembles Angie Cavalodge very much.

[redacted] Meeting of the [redacted] in San Jose, Cal. 10-22-70 [redacted] 10 P.M.

FOIA b 7 - (D)

Larry Snieder opened the meeting by asking Betty Goff to give a report on the Affinity Group Committee meeting. She explained that the Affinity Committee really had no power to come to any real decision, that everything had to be taken to the Local Exec., but they did have a good discussion and had come up with many recommendations to take to the Local Exec. Such as, that there was really no need for all the collectives to have a permanent Affinity Group, because they would be taking part in very much action together, such as demonstrations, strikes etc., but that the student collectives should have permanent Affinity groups, because they would see more action. The workers Collectives and the Maverick(Community) Collective, could set up a temporary Affinity Group as they were needed, made up of the ones that were able to attend at such a time. Also that there had been discussion of setting up an underground escape route, and underground Medical help. It was decided that this should be set up by leadership people. There was also discussion of our Military Strategy, and was decided that we didn't have any, that the leadership would also soon have to put out a line on the Military Strategy of the R.U.

Next, there was a discussion on Military Strategy and just what the R.U.'s line might be, but Darrell Grover said that he didn't think that this was a job for the proficiency group to discuss, that they had their hands full just teaching people about weapons. There was disagreement with him on this point, but generally agreed to let it drop for now.

Next, the trigger housing of an M1 Carbine was broken down by Larry Snieder. All persons in the meeting were to practice on their own and learn to do this, and also to reassemble it, and will have to do this in the next meeting. There were comments on how to make a cheap machine gun out of the M1. Darrell said that you could file down the Sear and then as long as you held the trigger back it would keep firing till the clip was empty. Mike LNU. said that you could file down the 1st catch that catches the Sear when it goes through its action, and that would work also.

Everyone that didn't already have one, was given a lesson plan written by Chris Menshing

On October 15, 1970, at 7:00 p.m., the San Jose Revolutionary Union (RU) [redacted] met at 1997 Poco Way, Apartment 9, San Jose, California. This is DEAN GRANHOLM's residence and a new RU member, MIKE (last name unknown), who recently was discharged from the Army.

Those present were:

[redacted]
FOIA b 7 - D

LARRY SNYDER handed out a paper on safety, then CHRIS MENCHINE read a lesson plan for instruction in fire-arms, which will be used to teach collective members. This paper will be mimeographed and handed out. It contains information concerning the M-1 .30 Cal. carbine and is similar to that found in Army manuals.

FOIA(b)(7) - (D)

Those present then practiced the various firing positions: off hand, sitting (legs cross and feet flat), prone and knelling. [redacted] had trouble with the off hand position and [redacted] can't get his feet flat in the sitting position. [redacted] did well.

At the next meeting, military strategy will be discussed and also instruction will be given on how to tear down the firing mechanism of the M-1 carbine.

MIKE (last name unknown) formerly in the Army, is a white male, about 22 years of age, about 6 feet, and slim, seems to be losing wait. He has brown hair, which is long but not to his shoulder; it also has a slight wave in it. He also wears a mustache and has a small beard under his chin. MIKE has been to Vietnam and was shot in the right foot. He is originally from New York. MIKE was on the rifle team in high school and has been in San Jose about six months. He just became an open member of the RU.

At the beginning of each FOIA b 7 - D meeting, LARRY SNYDER has been reading a statement from a paper which is a summary of various laws which RU members should be aware of. The paper also points out ways to circumvent these laws so that an RU member can keep from being prosecuted. The statement that SNYDER read is prefaced by the following: "Warning to people interested in teaching other people how to buy, carry, shoot, and clean guns, say at the beginning of each class". The statement that is read is as follows:

"None of this information or training will be used with my knowledge in any way to delay, obstruct, or affect interstate commerce or any Federally protected function or to further any civil disorder".

Then the statement is followed in the paper by the following comment:

"If there are any pig agents in the class, this statement should provide some form of legal protection against prosecution under the above-mentioned section of the 1968 civil rights act.

FOIA(b) (7) - (D)

A meeting of the affinity group representatives of the San Jose Revolutionary Union (RU) was held on October 20, 1970 at 7:30 p.m. at LARRY CASQUEIRO's residence, Sunnycourt, San Jose. There were [REDACTED] persons present:

[REDACTED]
FOIA b 7 - D

Those present really didn't know why they were there, as no previous plans had been made on what to discuss. However, they got right into the subject concerning the functions of affinity groups within the RU.

The affinity group is a small group of people that will go to and work together at demonstrations, strikes, and related activities. One person will be in charge of each group and will be called a lieutenant. Another person will be in charge of first aid. They will stay close together helping each other during an attack.

It was decided that the students needed to form affinity groups right away within their collective because they will have more need for this organization in the near future. The Workers and Maverick Collectives do not have an immediate need because they do not have an immediate need because they do not participate in this activity as much as the students. If the need does arise, the other collectives then form temporary groups.

The above decision is to be in the form of a recommendation that CASQUEIRO will take to the local exec. There was some discussion about setting up a phone tree for emergencies. ANGIE KALVALAGE will set up the tree.

Each representative is to make sure that the members in their collective understand how to act and what to take to demonstrations. Some of the things to take are duplicate car keys, a phone number to call in case they are busted, a person to call to take care of the children and other personal business in case of arrest, and also appropriate clothes, such as helmet, gloves, sturdy boots,

[REDACTED]
FOIA b (7) - (D)

OCTOBER 21, 1970
SAN FRANCISCO, CALIFORNIA

blue jeans, Army jacket, a sturdy club with a red flag attached, two hankerchiefs (one to be used to douse in vinegar to combat teargas and one to be used as a bandage).

All affinity groups should have a plan before entering into any activity and then be prepared to sum up their action after the activity.

It was also noted that everyone should sum up their political experience in their collective after the activity; that is, when they return from the demonstration to the collective, they should tell of their experience and relate it to their political outlook.

An underground was discussed, that is an emergency escape route. No definite conclusion was reached but it was pointed out that the leadership of the RU should begin to set up an underground. It was thought that a list of reputable individuals families in the RU and sympathizers of the RU should be used to help persons to get away and provide hiding places and other aid.

CASQUEIRO will discuss the underground with GREENBERG.

A medical underground was also discussed. There should be people in the RU who should learn medical skills and also doctors who sympathize with the cause should be located in order to enlist their help in the future.

Military strategy was discussed. It was noted that the leadership of the RU needs to set up a definite line of strategy so that members will know what to do. Also, to clarify the RU's position on the Weatherman, Black Panther Party, and related groups.

This also will go as a recommendation to the local exec.

Bombings were discussed. Everybody in the organization should know how to make and to throw a molotov cocktail. The RU should have persons who are skilled in the making of bombs and if the RU members don't know how to make one, they should learn. The RU leadership should also decide whether

OCTOBER 21, 1970
SAN FRANCISCO, CALIFORNIA

anybody in the RU should know how to make a bomb or just a small group known only to the leaders. RU bombing should not be indiscriminate but should be politically linked with what is going on at the time. ANGIE pointed out as an example the General Motors strike. She said that the strikers are just sitting around and that money will soon run out. At this point, a few molotov cocktails might speed up negotiations. She felt that hungry workers would go along with this type of action.

Also discussed was what to do if the police come to the door. If they have a warrant, members are to let them in, but guard the officers with firearms. If the police break in, shoot them. This point has already been set forth as a decision by the RU leadership, and also brought to the members of the RU in the San Jose area by BARRY GREENBERG.

It was also pointed out that everyone should not have more than six (6) weapons in their residence because more than this amount constitutes an arsenal. It was thought that a paper concerning laws, that is what is legal and what is illegal, should be distributed to the membership so that members will know what can be done and what cannot be done if police come to a residence.

Everything discussed at this meeting except for the decision already handed down concerning reception of police at the residence will be taken either to the local exec or discussed privately with BARRY GREENBERG. It is CASQUEIRO's responsibility to handle the recommendations and suggestions of this group.

Present were: [redacted]

[redacted] Order of
business was:

(1) The Executive Committee notes were passed out, a copy attached, and were discussed point by point.

(2) DARRELL GROVER continued his work report and in general it was well received. DAVID SHEN said that GROVER's main push should be in recruiting RU members at his plant.

(3) RON GRACIA (FRED) continued his work discussion. He was directed to move to a new residence by 11/1/70 and it was indicated that he may move in with new people who do not have much money. Apparently RON is going to get stuck with the rent.

(4) The last item discussed was that portion of the Executive Committee notes concerning Finances, and it was directed that everyone by next meeting should prepare a report of their income and their expenditures. This is being done so that the organization can determine whether or not the membership are using their finances in their supplement revolutionary manner and the revolutionary revenue service will make proper recommendations.

Also at the meeting a mimeographed "Summary of CC Meeting" was passed out and will be the subject matter of further discussion. A copy is furnished.

RU Collective
Seaside, California

It has been mentioned by many RU people that the GI Coffee House in Seaside is run by the RU. However, the RU people are not very well liked by other MDM people working in Seaside.

RU Education

"Peking Review" is distributed every week to RU members free of charge by the chairman of the individual collectives. However, in general discussion in San Jose with RU members it does not appear that very many of them read "Peking Review." They just throw it away.

It is not known whether the RU as an organization has a subscription to "Peking Review." However, it has been stated that the RU in each area has a person who can get material at China Books and Periodicals on credit and at a discount price, somewhere in the neighborhood of 50%.

Up until the past month or so, RU education has leaned about 50-50 in the reading of the works of MARX and LENIN and MAO, but now there is an increased emphasis on the works of MAO, which is emphasized by the fact that quotations from MAO are supposed to preface discussion of individual items in RU Collective meetings. In this latter connection, each RU Collective now has a Political Education

FOIA(b)(7) - (D)

Director (RON GRACIA for the [REDACTED]), who is charged with getting the agenda for the collective meeting and finding a quote from MAO for each item on the agenda.

CRAIG SHUBERT

CRAIG SHUBERT is unknown and has not been mentioned as a member of the RU in San Jose.

They discussed a paper concerning BARRY GREENBERG's trip and recommendation, but not much was accomplished along these lines. During this discussion, MARLENE brought up the various troubles that RU married comrades are having. MARLENE and MALOU argued quite a bit at this point. MALOU said MARLENE was out of order for bringing this up.

In connection with this discussion, BETTY GOFF said that there was a lot about the RU that she did not understand and that no one had been around to help her. She thought that the RU lacked consideration for her, BETTY, because LARRY was gone a good part of the time from home and she didn't have enough time to do all that was asked of her. She went on to say that she was not emotionally ready to do some of the things asked by the RU and that she could not immediately go over to pure communism because of her background and needed help from the RU. BARRY said that it would be hard for BETTY for a while, but that she would have to do certain things. Later on in the discussion, BARRY and the others took a more reasonable tact. The collective decided that when the Community Collective becomes the "Maverick" Collective, BETTY will continue with the proficiency job and will do "Maverick" work only at home until she felt that she was ready to do something else.

NANCY and JOHN KINCAID want to move to a different apartment and asked permission to do so. MALOU told them to wait and to see if she could not straighten this out so that the KINCAIDS could continue to work there.

President NIXON's visit to San Jose on October 29, 1970 was discussed. It was noted that everyone in the RU is to set up affinity groups and choose lieutenants. They are to participate in a march to be held by the San Jose Liberation Front of San Jose State College.

At 4:30 p.m. on Wednesday, there is to be a meeting of the affinity groups from the collective at the GOFF residence. At this time final tactics will be discussed. Also, instructions as to whether riot equipment will be issued. The riot is to start on Thursday, definite starting point is unknown at this time. The march will proceed from the starting point to the Civic Auditorium where NIXON will be speaking. It was stressed that the march will be disciplined and orderly and any provocation must come from the pigs.

MALOU handed out the Central Committee report, which will be discussed at the next meeting.

Each person at the meeting was asked for their personal budget statement. Most of them were not very clear. So BETTY GOFF showed them how to do it and those present were instructed to take their budgets back and do them over. The plan is at some later date an RU treasurer will be appointed. The budget statements will be handed over to this person so that the RU can determine the total assets of the membership.

BETTY GOFF reminded members of the collective that most of them were past due on their dues. She also gave MALOU \$20 from the collective treasury to be put in the RU treasury.

The discussion centered around what class doctors, lawyers, nurses and housewives belong to. After much discussion it was decided that doctors at petty bourgeoisie, lawyers are the same, nurses are workers. The majority of the housewives are workers, but were not really a class per se. After the meeting, VONDA said that she still does not come to collective meetings, but that she will attend study groups. She is still having family problems.

Discussed chapter ^{in Red Book} 11 on Mass Line. People voiced their opinions on the Nixon Demo. Some thought it was right on!, & the masses accepted it, & it was good. Others said that the working people that they had had contact with thought it was an awful immoral thing to do. Caused Barry Greenburg to re-evaluate his own opinion.

Many people had questions like, just what is Communism, & what do they really do in China. Next meeting will have a question & answer period on China or anything that's on their minds. Also will discuss Chap. 28 in Red Book, "What it means to be a Communist."

BARRY GREENBERG lead the discussion and others present were [REDACTED]

[REDACTED] LUCY was late because DAN, her husband, did not get home in time for LUCY to use the car. It seems that DAN had taken a man to Marin County to stand trial and the jury did not come back with a verdict. LUCY made the comment that if this person was found guilty, DAN might help him get away. LUCY and DAN work on the Soledad Committee.

The study group discussed Chapter 11 of the Red Book entitled "Mass Line". The discussion centered around the defense of mass line. The term means to emerge connections in the masses and given special leadership to the masses raising their political consciences in such a way as not to give an impression that you are a leader or commander. The masses must act because they see a need and one must not give an impression of being a leader. It is a suitable indoctrination of the masses to communism.

It was noted that the affinity group collective's lieutenant would be MARLENE CHARYN. There was a discussion concerning the visit of President NIXON on October 29, 1970 and plans for the RU demonstration in connection with this visit.

RU members are to meet at 6:00 p.m. at Seventh and San Carlos Streets, San Jose, California, on October 29. There is a permit to have a rally and they are trying to get a permit for a parade; however, the RU plans to have a parade anyway.

The RU will be broken down into affinity groups. Members have been instructed to wear heavy dress and to carry 8 inch pieces of pipe. This pipe is not to be used to attack but for defense. Each affinity group has a mission. The community collective group mission will be to seek out "provocators"; that is, pigs in disguise that might provoke trouble. The affinity group is to get rid of these people as the RU wants a peaceful march.

The RU also doesn't want mass arrests of RU members.

Guidelines were set down as to how you can spot pigs in disguise: they have a habit of standing at parade rest; they have pistols bulging under their coats; and they tend to yell things that are inappropriate and do so at inappropriate times. Each affinity group will have one or two red flags.

First aid books are to be handed out to members.

RU members plan to bring non-RU members with them to this demonstration.

BARRY GREENBERG and MARY LOU GREENBERG probably will not stay with an affinity group because they may be prime targets of the pigs. The same goes for JIM RANSOM.

The RU plans to have three or four spearheads.

MARLENE CHARYN in passing mentioned that last night a student by the name of CRAIG was busted with a loaded carbine, which may belong to DAVE SHEN.

MALOU handed out the Central Committee report, which will be discussed at the next meeting.

Each person at the meeting was asked for their personal budget statement. Most of them were not very clear. So BETTY GOFF showed them how to do it and those present were instructed to take their budgets back and do them over. The plan is at some later date an RU treasurer will be appointed. The budget statements will be handed over to this person so that the RU can determine the total assets of the membership.

BETTY GOFF reminded members of the collective that most of them were past due on their dues. She also gave MALOU \$20 from the collective treasury to be put in the RU treasury.

SAN FRANCISCO, CALIFORNIA

Meeting of the San Jose
Revolutionary Union [REDACTED]

FOIA(b) (7) - (D)

[REDACTED] on
November 19, 1970 at the
home of LARRY GOFF

Present were [REDACTED]

FOIA b 7 - D

The whole meeting was taken up by discussion of the two (2) military papers, which are referred to as Paper A, the paper written by BRUCE FRANKLIN, and Paper B, the paper authored by BOB AVAKIAN. There was unanimous support for AVAKIAN's paper and unanimous opposition to the paper of FRANKLIN, which was characterized as adventurous.

At the beginning of the discussion, DAVID SHEN and DAVID STOVER were somewhat sympathetic to the FRANKLIN paper, but by the time the discussion had drawn to a close, they had swung around to opposition to FRANKLIN.

During this meeting, LARRY GOFF mentioned that a couple of people in the Community Collective, including his wife, don't want to go along with the revolution.

The general tone of the discussion on military affairs was that the masses are not yet ready for this kind of action and that any such violent action would only lead to the destruction of the RU as an organization.

The only other matter discussed was how to continue this discussion in the next meeting.

There was also a paper passed out which was picked up before the meeting ended dealing with quotes from Red Papers, which requested RU members to refrain from discussing their own viewpoints with outsiders concerning armed struggle and requesting them to stick to the Red Papers statements which actually supports armed struggle. The reason for this is probably to prevent outsiders from determining that there

is conflict within the RU over this issue. Also passed out at this meeting was a throw away prepared by the San Jose Liberation Front dealing with Peoples Career Day at San Jose State (copy furnished).

The discussion was based upon the first two articles in MAO's "Selected Military Writings". During the meeting, DAVID SHEN indicated that he and MARLENE CHARYN had called a news conference at their home to denounce the dastardly attack of the pigs and to express their support for Los Siete. DAVID explained that someone, probably the pigs, had thrown a rock through their window right through a Los Siete poster, which was hanging in the window. DAVID didn't say if anyone showed up at the news conference.

DAVID SHEN led a rather aimless discussion of male chauvinism. Consistently, all meetings held by DAVID SHEN are rather aimless since he permits anyone to say anything they want. Two new military papers were passed out and discussion of these two papers is to be continued at the collective meeting on November 27, 1970.

NANCY BOROVOY mentioned that she and LARRY, her boy friend, are living just a couple of doors away from BARRY and MARY LOU GREENBERG and said that Governments agents are staking out BARRY's place.

LAURA COLLINS

A photograph of LAURA COLLINS appearing on California driver's license S774658 is identical to the girl, code name MILLIE, who worked at PDM.

RANDY BERGMAN

RANDY BERGMAN has not been seen since she returned from the second Venceremos Brigade; however, some time ago, and the exact time is not recalled, YVONNE BOND said that she saw RANDY around town and RANDY said she is living in San Francisco but that her address is secret. RANDY said that she can be reached through someone, however, it will take a couple of days.

JOHN SCOTT HARRISON
SARAH LOUISE HARRISON

Photographs of JOHN SCOTT HARRISON and SARAH LOUISE HARRISON were observed and these individuals are not known.

Revolutionary Union Venceremos
Brigade Collective

MARK HARRIS was one of the leaders who organized an RU collective out of the first Venceremos Brigade and arranged for RU people to go on the third brigade. It is believed that most of this activity took place in the ~~Richmond, California~~ **EAST BAY** area.

[REDACTED] FOIA b (7) - D of the Revolutionary Union (RU), San Jose, California, held a meeting on November 9, 1970, at 11:00 a.m., 1437 Cliffwood Drive in San Jose, California.

[REDACTED] FOIA b (7) - (D)

First on the agenda was a discussion of the local exec report which was handed out to those present. In particular, they discussed the financial status of RU members as requested in the report. Those present were reminded to hand in a personal budget. MARY LOU GREENBERG explained where the money that the RU obtained went to. It is used for various administrative expenses and for travel for leaders, and also to help RU members who are without funds.

There was a three-hour discussion concerning the publishing of the "Maverick". Mainly this centered around assignments for various members of the collective on the newspaper....nothing settled....most of it was just wasted time.

BETTY GOFF brought a proficiency report. This primarily consisted of NANCY KINCAID breaking down an M-1 carbine rifle with GOFF instructing. Also, a copy of gun laws was passed around and CONCI is to get this paper printed for distribution to the members. Also, another paper which will be distributed is that of the safety rules.

It was noted that a dinner would be held at the GOFF's on Saturday, November 13, 1970 for DAVID SHEN's mother. It was not known at this time whether or not SHEN would attend this dinner as he has some kind of a problem with his family.

[REDACTED] Revolutionary Union (RU) planned to participate in the demonstration at San Francisco, California, on December 1, 1970 in connection with Vice President KY of South Vietnam visit to the city.

O'NEILL stated that KY was to be at the Fairmont Hotel and that the Revolutionary Union planned to meet at Powell, California, and Sacramento Streets in San Francisco at 11:00 a.m. on December 1, 1970. O'NEILL gave further instructions as to where to meet by saying that, "When you look at the front of the Fairmont Hotel, the meeting place will be on the lefthand corner". This is possibly at Sacramento Street.

O'NEILL advised that the San Jose RU would be in coordination with the Bay Area RU for this demonstration.

O'NEILL advised that located on the street behind the hotel would be some people walking in a picket line and that they have legal permission to do so.

O'NEILL advised further that attempts will be made to keep violence down but the RU should be prepared.

During this conversation, O'NEILL had a map and was pointing various locations on it.

San Jose Revolutionary Union (RU)
meeting
at the home of ANGIE KALVALAGE on
December 3, 1970

FOIA b 7 - D

This was a very brief meeting and only discussion was that on the expulsion of MARLENE CHARYN by the Local Exec. DAVID SHEN had attacked the Local Exec for expelling MARLENE, indicating that this was not an exercise of democratic centralism and he produced a previous RU paper which did reflect that the Local Exec had acted beyond its scope.

After this discussion lasting a half hour or so, the whole collective then repaired to the home of PERRY and MELODY HARTLINE at San Carlos and 19th. They live in a big old house set apart and almost on the corner. This was in connection with a meeting of representatives of the Palo Alto RU and the San Jose RU to discuss the two military papers. Palo Alto was represented by BRUCE FRANKLIN, JANE FRANKLIN, JOHN RANSOM, younger brother of JIM RANSOM, and four other youngsters, all approximately 21 years of age, none of whom are personally known, nor were they named at the meeting. One was a female and there were about twenty (20) people from San Jose, including the above-mentioned members of the [redacted] and the following:

JODY (last name unknown), who is a very tall girl, approximately six feet

All of the San Jose people, with the exception of MIKE FOX and DAVID SHEN, who did not say very much, were very strongly opposed to FRANKLIN's paper. JODY was particularly outspoken against BRUCE and had very good arguments, and JIM RANSOM was very good in putting down the Palo Alto group. DARRELL GROVER attacked the Palo Alto position as being very bourgeois and it is believed he probably went a little overboard in his criticism.

BRUCE FRANKLIN came on very strong in accusing the San Jose and East Bay leadership as being revisionists and he mentioned by name BOB AVAKIAN, BARRY and MARY LOU GREENBERG, and by inference, LARRY HARRIS and LEIBEL BERGMAN. JANE FRANKLIN attacked LARRY HARRIS, although she did not specifically mention his name, as a backward influence in the RU for a long time.

BRUCE FRANKLIN has a very romanticized view of the world and he was very strong in his contention that the blacks are actually a nation and that armed struggle or urban guerrilla warfare is actually taking place in the United States today.

In connection with BRUCE's arguments on the necessity of forming a revolutionary people's army, JIM RANSOM came down hard on FRANKLIN and JANE FRANKLIN immediately jumped to BRUCE's defense and said that such an army actually exists today and said that ROXANNE DUNBAR, a comrade from the South, is actually relating to a black army. During the discussion, JANE FRANKLIN also mentioned the RU Sunnyvale Collective and specifically mentioned that three (3) of its members are former students who are now workers.

On the whole, one could say that no one went away from the meeting changed in any way on their respective positions but each side did strengthen their own views. The meeting was chaired by JOHN RANSOM. BRUCE and JANE FRANKLIN took up about 90 per cent of the time during discussion and BRUCE FRANKLIN criticized BARRY and MARY LOU GREENBERG for not showing up at this meeting.

DECEMBER 9, 1970
SAN FRANCISCO, CALIFORNIA

It is evident from BRUCE's conversation that he appears to want to go beyond his written papers in making the RU a highly militarily organized organization.

at KY demonstration

Incidentally, JIM RANSOM offered to drive his younger brother home and JOHN, very seriously, declined the ride and said that he was staying down here to engage in urban guerrilla warfare, which brought a big laugh from the San Jose group but was taken seriously by the Palo Alto group. The Palo Alto group considered the KY demonstration in San Francisco as an example of guerrilla warfare and were very pleased and proud of their part in the demonstration.

In addition, MARY LOU GREENBERG was present. Passed out were the Local Executive Committee notes for November 30, 1970, November 20, 1970, and a special session on December 4, 1970. The first thing discussed was the woman question, which was item number two on the Local Exec notes of November 20, and everyone in the collective agreed to relate more closely to the woman question.

The next item discussed was the military question, during which MARY LOU said that it had been decided by the Political Committee that the big shots in the RU, and she used that terminology, are to stay in the background on the debate on the military question and are not to get personally involved in the debates with individual collectives. In other words, according to MARY LOU, the collectives are to come to a decision on the military question on their own. Incidental to this discussion, there was considerable gossip

FOIA b 7 - D

DECEMBER 9, 1970
SAN FRANCISCO, CALIFORNIA

about some of the crazy telephone calls that [REDACTED] has been making about military operations calling people up and requesting their immediate help on the military operation. It was brought out that at one point she had called BETTY GOFF and told BETTY to leave the kids, get her gun, and join [REDACTED] in a military venture. All in all, the discussion merely re-emphasized the position of the collective which is in favor of paper A, the AVAKIAN paper, and opposed to the FRANKLIN paper - paper B.

During the collective meeting, it was mentioned that WILLIAM HINTON had met with RU people in Palo Alto during the last week. No mention was made of him being in the RU or the reason for his meeting with the Palo Alto people.

MIKE FOX

The other occupants at the Blazer Way address have commented that MIKE FOX has been staying in Palo Alto and has only been around Blazer Way once in about five days. FOX is so much in agreement with the BRUCE FRANKLIN paper that he doesn't even talk to the San Jose group. The photograph appearing on the driver's license issued to MIKE FOX is a good likeness of him.

[redacted]
FOIA b 7 - D

The main issue was a further discussion concerning the expulsion of MARLENE CHARYN. This discussion was brought about because of a paper that DAVID SHEN had concerning the procedures of expelling a member of the RU.

This paper had pointed out that at least the Central Committee would have to make a decision to suspend a member. If this is so, the local exec decision would be invalid. The local exec decided to determine if SHEN's paper had been accepted as policy by the RU and, in the meantime, MARLENE would be suspended instead of expelled.

If the paper is correct and is RU policy, then MARLENE's case will have to be decided by a higher body. The members of the RU, in the meantime, are to have as little contact with MARLENE as possible and not engage in any political discussions with her.

Also noted in the meeting in reference to the struggle and concerning military papers A & B was the fact that Political Committee (PC) members should not engage in this struggle at this time and that the struggle for the time being should be left to the rank and file members; that is, the "cadre".

NANCY BOROVOY took over the chair and handed out

discussed, which lead into a discussion concerning what to
do about those who had split from the organization, which in
turn lead to BETTY GOFF's relationship with LARRY since
LARRY left. BETTY was informed that she could not criticize
the leadership of the RU or any cadre to any non-RU person.
She was told it was her duty to uphold this. Discussion of
the RU and the new group was that they understand BETTY's
position, and for the time being, she can stay in the RU.

It was also noted that RON GRACIA will move in
with ANGIE KALVALAGE because RON is living with WOODY and
PAUL SAMPSON, who have split from the RU. For him to stay
there would not be a good arrangement.

[REDACTED] FOIA b 7 - D of the San Jose Revolutionary Union (RU) met on December 5, 1970 at 9:00 a.m. at JOHN and NANCY KINCAID's residence. BETTY GOFF chaired the meeting. Others present were:

[REDACTED] FOIA b 7 - D

There was a discussion concerning military papers A and B. This discussion was the primary thing on the agenda. MIKE FOX presented Paper A and JOHN KINCAID Paper B. There was one individual for Paper A - MIKE FOX, and two for Paper B - MARY LOU GREENBERG and JOHN KINCAID. The rest of the collective supported various parts of both papers, but did not accept either paper completely, at least at this time.

BARRY GREENBERG then announced the local exec decision on how MARLENE CHARYN should be dealt with by RU members during her suspension; that is, they should have little contact with her and no political discussions in any conversations that they might have with MARLENE.

Everyone in the collective except MARY LOU disagreed with the local exec decision on treatment of MARLENE. Her friends want to be able to see her because she is mentally ill and needs their help. Therefore, the chairman of the collective must take a recommendation back to the local exec asking the executive to reconsider the ruling concerning contacts with MARLENE.

their recommendations should go to the Central Committee.
This will be looked in to.

The chairmanship for the [redacted] was

DEAN GRANHOLM was elected co-chairman and political

Now they are investigating why the split happened; however, these people agree with Paper A, FRANKLIN'S side, but have made no decision as to whether or not they will leave the RU.

It was noted while the Oregon people and VERNON and VONDA BLACK were present that BETTY GOFF is still in the RU, but this is still kind of up in the air. It was also pretty well determined that LARRY GOFF will be accepted in the new organization.

Among those present from Oregon was a girl by the name of CINDY and a white male named GRAHAM, who is further described as 6'-2-3", beard, long sideburns, brown hair, looks to be 23 to 25 years of age.

LARRY GOFF and VERNON BLACK are to go to Palo Alto tomorrow to discuss the situation with BRUCE and JANE FRANKLIN.

[redacted]
FOIA(b) 7 - D

The main issue was a further discussion concerning the expulsion of MARLENE CHARYN. This discussion was brought about because of a paper that DAVID SHEN had concerning the procedures of expelling a member of the RU.

This paper had pointed out that at least the Central Committee would have to make a decision to suspend a member. If this is so, the local exec decision would be invalid. The local exec decided to determine if SHEN's paper had been accepted as policy by the RU and, in the meantime, MARLENE would be suspended instead of expelled.

If the paper is correct and is RU policy, then MARLENE's case will have to be decided by a higher body. The members of the RU, in the meantime, are to have as little contact with MARLENE as possible and not engage in any political discussions with her.

Also noted in the meeting in reference to the struggle and concerning military papers A and B was the fact that Political Committee (PC) members should not engage in this struggle at this time and that the struggle for the time being should be left to the rank and file members; that is, the "cadre".

The procedure for borrowing money from the RU is to ask the treasurer of the collective, but if it is a large amount of money, the loan will have to be discussed by the collective. If the collective decides to loan the money, but does not have enough, then it goes to the Central Treasurer. However, if the amount is over \$25, it must then be presented to the Steering Committee for them to pass on.

Male chauvinism was next on the agenda. MIKE FOX wanted to know if it was male chauvinism if he desired to sleep with a "bunch" of different women. He stated that he could not do without for over four months. The collective plans on taking this to the women's meeting to get their opinion and it may be discussed in the rest of the collectives.

JOHN KINCAID wanted to know if it was male chauvinism if he made NANCY get up at night to take care of the baby so that he could get some sleep in order to be able to go to work the next morning. The collective decided that this was male chauvinism because NANCY takes care of the baby 24 hours a day and JOHN is only there a short time and should help. BETTY pointed out that neither NANCY nor JOHN were helping the baby sleep all night by the things that they were doing and made

some suggestions that would help the baby to sleep through the night. The collective agreed with BETTY's suggestions.

The next meeting will be at 4:00 p.m. at DEAN GRANHOLM's residence, 1997 Poco Way, Apartment 9. This will be a special meeting to discuss the military papers.

[FOIA b 7 - D]

At the outset of the meeting, BETTY GOFF was criticized strongly by BARRY GREENBERG for having had contact with MARLENE CHARYN, who has been expelled from the RU. This matter has not been settled, as of yet, and BETTY's status remains in a state of flux; however, she is still considered to be a member of the RU.

There was a discussion on how those who have split from the organization should be treated. It was decided that those who have split and joined the new organization should be isolated but that those who have just quit but not joined another organization, the RU should maintain contact with them and try to get them back in. It was also decided that RU members should also have contact with the Palo Alto cadre that have split, but not the leadership.

There will be a fight for control of the Maverick; however, BARRY did say that if the other group wants the paper that they will let them have it and the RU will start a new one. This will be discussed further.

It was also decided that since most of the Maverick collective has split from the RU, the remaining members will go into the Eighth Route Collective. These two coming into the Eighth Route Collective will be [] and []

This meeting was suppose to be a meeting at which the Revolutionary Union (RU) people splitting from the organization were to present their positions; however, when MARLENE CHARYN came in, BETTY GOFF, as chairman, ruled that since there was a non-member present that this particular meeting would not be an RU meeting. However, the floor was open to discussion.

The outset was that those splitting from the RU announced that they were and then there was a discussion of pros and cons. Those leaving, were as follows:

MIKE FOX has gone over to the new group;

DEAN GRANHOLM, it is assumed that he has
gone over to the new group;

CONCI BOKUM has joined the new group;

JOHN KINCAID has joined the new group;

NANCY KINCAID has left but has not joined

[REDACTED] Meeting December 18, 1970
at the home of LARRY and BETTY GOFF

FOIA(b) (7) - (D)

Present at the meeting were:

FOIA b 7 - D

Virtually the whole meeting was taken up with LARRY GOFF, WOODY, and DAVID SHEN explaining their positions as to why they were quitting the RU and going with the new organization and with attempts by the other members to persuade them to stay in the RU. LARRY GOFF and WOODY STOVER quit the RU and DAVID SHEN was kicked out by the Collective. SHEN indicated that while he sided with Paper A, he wanted to

FOIA b 7 - D

DECEMBER 23, 1970
SAN FRANCISCO, CALIFORNIA

stay around in the RU until the next Central Committee meeting. The other members couldn't accept this so DAVID was expelled.

During the discussion, LARRY GOFF mentioned the possibility of blowing up tanks at FMC where he works in order to create a rallying point for people at FMC. GOFF stated that prior efforts to organize a workers collective appeared unproductive and indicated this was one of his reasons for joining forces with the FRANKLIN Group.

All tolled, about twelve (12) people have left the RU from San Jose, including JOHN KINCAID, PAUL SAMPSON, WOODY STOVER, DAVID SHEN, MIKE FOX, VERNON and VONDA BLACK, MARLENE CHARYN and MIKE GAYLOR. Incidentally, MARLENE CHARYN kicked DAVE SHEN out of the house and he is now living with PAUL SAMPSON and WOODY.

Because SAMPSON and WOODY have split from the RU, RON GRACIA, who is staying in the organization, moved out and is now living with ANGIE KALVALAGE and CHRIS on Blazer Way.

During the discussions when LARRY GOFF was present, BETTY GOFF strongly backed her husband's position but when LARRY was not present, BETTY changed her tune and was against his position. Although she appears to be staying the RU, BETTY appears to have some strong differences with the RU.

The next collective meeting has been set for the evening of December 23, 1970. Incidentally, LU CAROL and BETTY are ~~not~~ members of the collective since the Maverick Collective has disbanded and they are the only two left in the RU.

FOIA b 7 - D

The split group from the RU is not using the name RU, but have not decided on another name yet. The RU article appearing in the current issue of "Free You" was authored by JANET WEISS, who was described by ANGIE as BRUCE FRANKLIN's

FOIA b 7 - D

DECEMBER 23, 1970
SAN FRANCISCO, CALIFORNIA

righthand man. The split group is talking in terms of setting up small groups of three to four people for militant action, particularly the San Jose people. Incidentally, this may be by necessity and not choice since most of the San Jose people who have split could probably not stand being with each other for any period of time.

JULIE ROEMER mentioned that she has made contact with an Indian girl, GEORGE LINE, a Mormon who works at the same place as JULIE and who she described as quite militant and intrigued with having met a revolutionary group, however JULIE is somewhat frustrated in her relationship with this Indian girl since she can't get through to her that atheism and revolution go together and the girl remains a staunch Mormon.

FOIA b 7 - D

BOB AVAKIAN and MARY LOU GREENBERG are back from their trip to the East and have reported that none of the Eastern Collectives have split from the RU. No specific mention was made of the identities of collectives which they visited.

All tol~~sed~~ed with the RU, things still are pretty much in a state of flux and things will probably be disorganized for several weeks yet. It is presumed that the next big event will be a Central Committee meeting and that at least some of the people who have split will attempt to attend this meeting. ANGIE KALVALAGE mentioned that the Palo Alto people are collecting for a Central Committee meeting before the main one called by the RU, however, the warning has gone out that this is a bootleg Central Committee meeting and that people should not attend.

What action will be taken by the FRANKLIN group is questionable. It is believed that FRANKLIN will find

FOIA b (7) - (D)

DECEMBER 23, 1970
SAN FRANCISCO, CALIFORNIA

himself in the position where he has to take some kind of militant action soon in order to hold the people together and justify his split. The Palo Alto people are very pro-Black Panther Party (BPP). Even though FRANKLIN's theory of the blacks being oppressed colonies within the imperialist mother country is no longer the line being taken by the BPP, the latter has voiced its position on nationalism and no longer sees the blacks as colonists but rather as separate communities within the country. ANGIE KALVALAGE mentioned that the Palo Alto RU statement appearing in the "Free You" was a very weak and wishy-washy document.

Furnished are copies of two papers passed out at the collective meeting, one the Local Exec Notes of December 15, 1970, which were apparently written by BARRY GREENBERG and are almost ~~collected~~ ^{edited} MAOIST documents in style and content. The other is a "Report From the Political Committee to All Cadre; Unite to Carry Thru the Ideological Struggle in the RU", and which is self-explanatory.

The mid-peninsula paper referred to in this document was not widely circulated in the San Jose area and the only existent copy is so dog-eared that it cannot be duplicated.

GILBERTO ROMERO

ROMERO is still living with YVONNE BOND. He is going through some rehabilitation sponsored by the Poverty Program which is similar to AA. GILBERTO has a drinking problem. On December 19, 1970, YVONNE BOND mentioned that the brother of REIS TIJERINO, a Chicano leader in New Mexico, is in the Bay Area ~~and is staying at YVONNE's place~~. He is here to organize in an effort to get support to get REIS out of jail, since there does not appear to be much support for this in New Mexico. He plans on gaining support here following which they will return to New Mexico and attempt to build up support there.

MARY LOU discussed her trip to Detroit, Chicago, and Ohio. She stated that some of the people she talked to had not received copies of Papers A and B. These individuals were confused about the split but were going to stay with the RU.

Detroit had received the papers some time ago and had already compared and discussed and had presented their conclusions in a paper.

BARRY talked about the strengths and weaknesses of the organization and made the following recommendations:

Tighten up on recruiting and form a Recruiting Commission, one member from each collective would make up the final screening committee

[redacted]
FOIA(b)(7) - (D)

BETTY GOFF also recommended that instead of taking a person into the RU too quickly, the individuals should be worked with for a period of time and then this person should be discussed with the collective before he is admitted. [redacted]

[redacted]
FOIA(b)(7) - (D)

BETTY also said that recruits should thoroughly understand the RU and what they are getting into. Also,

[redacted]
FOIA b 7 - D

DECEMBER 24, 1970
SAN FRANCISCO, CALIFORNIA

husbands and wives should be recruited together and not separately. [redacted] agreed with this suggestion, also.

The conclusions reached were to take a long time with recruits and follow the recommendations made by BETTY.

The opening step for recruiting would be that a persons suggested should be discussed within the collective by all.

BARRY GREENBERG made the recommendation to standardize the educational curriculum of the RU. This was accepted. This could possibly lead to a school for the cadre..

MARY LOU announced that a Regional Central Committee meeting would be held some time during the middle of January and the National Central Committee would meet at the end of January.

It was noted that Maverick owes \$700 in bills. If the new paper takes the name of Maverick, it will have to pay Maverick's bills. So, since those who have split have taken Maverick equipment, they can also pay the bill. The RU paper will come out under another name.

LAURA, CRAIG SCHUBERT and KATHY have made a list of materials needed to put out the first issue of the paper. This paper should come out quite soon. A work team has been chosen to do further work on the paper and includes LAURA and BETTY GOFF. There will also be a permanent staff to coordinate the paper. BETTY GOFF has been asked to be on this staff.

Also noted is the fact that any articles received from the working people would not be changed, that is, to correct political point of view, but articles would go in just as submitted.

DANNY O'NEAL discussed the Community Action Patrol (CAP). O'NEAL has been riding around with this group and said that the other night he was out taking photographs of pig harassment. He stated that after a few house, pigs got tired of it and busted him for no reason, put him in a paddy wagon for two to three hours, rode him around and let him go.

DECEMBER 24, 1970
SAN FRANCISCO, CALIFORNIA

CAP wanted DANNY to sue the police for half-million dollars and said that they had a lawyer for him. DANNY wanted to know if he should let the CAP proceed with this suit and the RU said no. They said that DANNY could get an injunction but that he cannot sue because there are no masses involved and this group is not really representing the people and CAP is run by revisionists, including FRED HIRSCH. BARRY GREENBERG was very derogatory towards HIRSCH. DANNY can continue to ride with the CAP, but he must try to convert them to the RU's point of view.

JUDY DARIDA is also riding with CAP. DANNY and JUDY got married about three weeks ago and she is already pregnant; in fact, she was pregnant before they got married.

The San Jose Revolutionary Union (RU) FOIA b 7 - D
held a meeting at 8:00 a.m., December 31, 1970 at 1925 Poco
Way, Apartment 3. MARY LOU GREENBERG chaired the meeting.
Others present were:

FOIA b 7 - D

During the meeting, LARRY CASQUIERO mentioned that
he and JIM RANSOM and another person were the individuals
that he been chosen to work on the RU secret project (under-
cover illegal work).

LARRY SNYDER now lives with LAURA at 1925 Poco
Way, Apartment 3.

RON GRACIA now resides on Blazer Way.

MARY LOU was passing around a list of radicals with
names of the radicals which she said came from a person who
had access to the files at the Police Department and that
is where this list originated.

BOB SAIBEL gave a report on male chauvinism, which
was just so much talk. He was defensive in his presentation
and intimated that he didn't make any mistakes.

The Venceremos Brigade (VB) was discussed. BARRY
and MARY LOU said they think that the VB will try to keep
RU people out of it. MELODY HARTLINE is on the Regional
Committee of the VB and has applications which should be sub-
mitted by January 9, 1971. RU people planning to submit an
application should list secondary organizations and not that
they belong to the RU. It was pointed out that ROXANNE DUNBAR
and JESSICA are on the National Committee of the VB and must ap-
prove the application so they are in a position to stop RU
people from going.

FOIA b 7 - D

JANUARY 1, 1971
SAN FRANCISCO, CALIFORNIA

It was pointed out that the Central Committee will now be called the Regional Committee and the Central Committee will now be known as the National Committee.

The Regional Committee meeting will be held on the 9th and 10th of January. Those going will have to stay all weekend and will need a bag lunch for Saturday. The rest of the food will be provided. Those attending will also need to take a sleeping bag and warm clothes so it would seem that this meeting would be held somewhere in the mountains or at least somewhere where it is cold.

There will be four (4) workshops at the Regional Committee meeting, as follows:

1. Working class organization. BOB SAIBEL and LAURA are to attend.
2. Community organization. NANCY BOROVOY, LARRY CASQUIERO, and BARRY GREENBERG are to attend. The focus will be on black and brown relations.
3. Student workshop. CHRIS MENCHINE and JIM RANSOM are to attend.
4. Propaganda workshop. BETTY GOFF, DANNY O'NEAL, and MARY LOU GREENBERG are to attend.

It was also noted at the meeting that BETTY GOFF will be doing work on the San Jose RU newspaper.

LAURA also wants to work on the paper but does not have enough time, so her collective has taken her off this project. Work on the paper was then assigned to DANNY O'NEAL and BETTY GOFF, who are suppose to set up the first work team meeting for the paper.

LARRY CASQUIERO gave a financial statement for the San Jose RU. The San Jose group has \$49 in the treasury, which

JANUARY 1, 1971
SAN FRANCISCO, CALIFORNIA

is located at the CASQUIERO residence; however, the organization also has \$130 which is divided amongst other people in the San Jose group. MARY LOU pointed out that the group will need at least \$200 in order to get the newspaper published and also that any person going with the VB must have at least \$200 and that they cannot expect the RU to finance them.

It was also noted that any person going to the Central Committee meeting in the mid-west will also have to have money to attend that.

The draft was discussed. CHRIS MENCHINE was drafted but received a 30-day extension for medical reasons, but his extension is almost up. He will then have to wait for another induction notice. JIM RANSOM has also been drafted and his induction notice is for January 26, 1971. RON GRACIA has also received his notice, which is for January 19, 1971.

The conclusion of the Local Exec was that the draft situation concerning the above should be taken to the Political Committee where a decision would be made as to whether or not these people will go.

JIM and CHRIS want to go but BARRY and MARY LOU think that they are needed in San Jose, at least for the time being and also they do not think that RON should go because he is "weak" and could not take military life. The comment was made that he is "too soft hearted".

The Political Committee has decided that the RU
members who have been drafted, including RON GRACIA, should
stall for time in various ways, including medical reasons,
until the RU can better prepare itself to do without the

The collective decided that recommendations should

RON GRACIA had left the meeting earlier and then
returned. At this time he said that he had been to a meeting
of the Retail Clerks Union and that they had voted to strike.

NANCY BOROVOY also gave a rundown on PERRY HARTLINE's

There was a discussion concerning a possible deadline. There was an introduction to the newspaper on January 15, 1971. Stories must be in by the 11th - 13th of the month.

The paper will be named at the next meeting before production.

The following subjects for stories will be utilized. CRAIG SCHUBERT is to do one on POWs in Vietnam. KATHY is to do a story on BOBBY SEALE. LARRY SNYDER will do the gun column. BETTY GOFF will collaborate with MARY LOU GREENBERG on 1970's most admired women (this means revolutionary women). The word revolutionary cannot be used because the paper is to be a working class paper and the word revolutionary would be offensive to the readers.

There is to be an article on ANGELA DAVIS. TED will report on the incident in Poland. DAN O'NEAL will do the medical column. Others to contributed are:

MARY LOU GREENBERG
PERRY HARTLINE
ANGIE KALVALAGE
RON GRACIA
PHYLLIS DAVIS (she is not RU)

The paper will be about sixteen (16) pages in length. The group is going to try and get Waller Press in

PERRY HARTLINE is also on the newspaper work team and his house will be utilized as an office.

There was a special meeting held on Christmas Eve in San Francisco at a house on 24th Street for the purpose of having representatives get together and discuss the differences that have arisen within the RU and to determine how to carry on the struggle.

FOIA b(7) - (D)

The location of the place was about two blocks up from the China Books and Periodicals on 24th Street and there were about twenty (20) present, including DOUG NORBERG, MIKE MILLER, DAVIDA FINEMAN, a person from Richmond known as MARK WEISS (phonetic), who is a tall thin person with dark bushy curly hair. He is not a hippie type. There were several individuals from Richmond, including a young man who reportedly is a carpenter and drives an old green Studebaker.

The meeting was chiefly comprised of a review of the local Exec Notes for December 22 and December 31, 1970, which are attached. They discussed attempting to find suitable people to go to Cuba with the Venceremos Brigade. ANGIE KALVALAGE and LUCY will attempt to organize unemployed people in the area and the RU will start to organize for a new newspaper, as the group that broke away from the RU will maintain the Maverick. This is set out in detail in the Executive Notes.

FOIA b 7 - D

JANUARY 11, 1971
SAN FRANCISCO, CALIFORNIA

They decided to reinstitute a study program and DARRELL GROVER will be in charge of this. RON GRACIA will be in charge of the proficiency program. He has recently bought a shotgun for himself and is now very interested in guns.

It was decided that both of the Workers Collectives in San Jose will merge and become one, however, they will not do so until this is passed by the Local Exec.

During this meeting, they mentioned that an emergency meeting of the Local Exec was held on the previous Sunday morning. The reason for this was because MIKE GAYLOR had evidently stolen a gun belonging to LARRY SNYDER and that MELODY HARTLINE also found that some guns were missing from her house. MELODY HARTLINE, together with her brother-in-law, DEAN HARTLINE, went over and got hold of MIKE GAYLOR and took him for a ride in an automobile and evidently had threatened him. It apparently was effective because MIKE GAYLOR admitted stealing the gun belonging to SNYDER and returned it. He denied any implication with the thefts of guns from the HARTLINE residence. The latter turned out that PERRY HARTLINE had been busted during that week, possibly on Saturday, January 2, 1971, and the police department had gone to his home and taken the guns that were in the closet. Following this incident, JANE FRANKLIN got involved in the situation and accused the HARTLINES of kidnapping MIKE GAYLOR and a meeting was called to resolve the situation.

AARON MANGANIELLO and VERNON BLACK from the "Venceremos" ~~Brigade~~ group evidently attended this emergency Local Exec to resolve any further misunderstandings or confrontations between the two elements of the RU. Incidentally, the new name for the individuals that split from the RU is referred to the "Venceremos." They have actually joined up with the Venceremos college group in which AARON MANGANIELLO is prominent. It was not clear why PERRY HARTLINE was arrested but it was mentioned that it had something to do with credit cards in his possession that did not bear his name.

It was mentioned at the collective meeting on January 5, 1971 that the weekend of January 9-10, 1971, there will be a Regional Committee meeting. NANCY BOROVY and BETTY GOFF were designated as individuals in their collective to attend this weekend meeting. This particular meeting dragged on for several hours and for the most part was just gossip and no real discussions of the issues on hand were had.

LARRY GOFF and BETTY GOFF

LARRY GOFF is now working for a gunsmith and apparently lives on money that is sent him from his parents. BETTY GOFF sometimes indicates that her membership in the RU is something she became involved in and was not ready for. She indicates that she feels like she is in a trap and she does not appear genuinely sympathetic toward the RU.

JOHN HAYES

JOHN HAYES was in the Bay Area over the New Years holidays. He mentioned that he is now living in Northern New Mexico where he works on a farm. He indicated that he is not involved in politics in New Mexico. HAYES had met with YVONNE BOND and GILBERTO ROMERO, who are social acquaintances.

ROBBIE and SALLY

The above individuals were formerly friends of YVONNE BOND and living up the street from her in Oakland. They taught firearms for ILS, however, their last names were not known. The name SAL RAMPLE and ROBBIE RAMPLE were not familiar. The only mention of SALLY and ROBBIE made by YVONNE BOND was several months ago when she comments that they had both evidently quit ILS.

During the meeting it was noted that a robbery was taking place at the gasoline station across the street and DARRELL GROVER and LARRY CASQUIERO went to the aid of the proprietor and the robber took off at their approach. ANGIE was somewhat perturbed when GROVER asked her to call the police and didn't think she should do so but GROVER told her to call the police because this was a fellow worker getting ripped off.

The order of business was the Local Executive Committee Notes for the Local Exec meeting of January 8, 1971 were gone over item by item and a copy of these notes is attached.

There was a discussion only partially completed of the Regional Committee meeting held the previous weekend. One thing that came out of this was that BARRY GREENBERG and MARY LOU GREENBERG are to become more involved in community work and a new Community Collective may be formed.

There was also a discussion on a demonstration to be held on Friday, January 15, 1971 in order to get PERRY HARTLINE's guns back from the police. It is noted that these guns were subsequently returned and the demonstration did not come off.

RON GRACIA was designated as the proficiency leader of the collective and he will get targets for each member to fire independently and then turn them in for evaluation. There is no indication that there will be any additional stress on proficiency at this time.

Another individual by the name of TED was suppose to come but didn't make it. The discussion was led by JIM RANSOM who read a paper which he had written. The meeting only lasted an hour or so and for the next meeting Stalin's "Dialectical and Historical Materialism" is to be read and studied.

JIM RANSOM

On January 19, 1971, JIM RANSOM said that he is being inducted into the Army on January 26, 1971 and that he will go.

ED and his wife, JUDY, are still in the RU, but ED only reluctantly because of JUDY. ED said he thinks Venceremos Brigade is a good collection of people, but he doesn't agree completely with the leadership. ED said that AARON MANGANIELLO had been a member of the RU Political Committee. ED further stated that he doesn't believe in the RU's multi-national line since this invades the province of Los Siete and the Panthers. JUDY BERNSTEIN said she had been ready to leave the RU at the time of the San Francisco RU two-day retreat. Neither ED nor JUDY mentioned anyone in particular who had defected from the San Francisco RU collectives. The BERNSTEINS live on Guerrero Street in an upstairs flat and there are other individuals living in the same flat who may be in the RU, also. The names of these individuals are not known.

RON GRACIA

GRACIA recently mentioned that he was due for induction into the service and would probably go in February of this year.

VENCEREMOS

The group which left the RU with BRUCE FRANKLIN has merged with Venceremos College.

The Palestine Solidarity Committee

There has been no indication of any activity by the Palestine Solidarity Committee in the past several months and it appears to be inactive. DAVIDA FINEMAN, head of that activity, made no mention of the committee when she was contacted during the past week.

The Maverick

DAVID SHEN was picking up the tab for the Maverick deficit but the RU has now lost him as a money source since he split. The San Jose RU has a collective working on getting out a new paper.

FOIA b (7) - D

1. Regional Committee Meeting. We discussed what the Local Exec's role should be at the Regional Committee meeting. Discussion centered around the report, "Summing Up the Struggle in San Jose," which was passed out to R.C. members several days in advance of the R.C. meeting. In general, LE members felt the report was satisfactory, that it was correct to stress certain weaknesses in our understanding and work in San Jose, and that at the regional meeting our delegates should certainly discuss these weaknesses and how we intend to use our strengths to overcome them. (This report on summing up the struggle in San Jose will be passed out to all San Jose members for discussion in the collectives. On the basis of collective discussion, the LE will consider it further, especially the recommendations at the end.) The LE also briefly examined the major questions which have developed out of the struggle (e.g., the role of the proletariat, the national liberation struggles and how they relate to the class struggle, fascism, democratic centralism, etc.), and reached general agreement on the need for the LE to strongly uphold and defend the position outlined in "Paper B.")

(Note: The Regional Committee meeting was very successful; a full report on it will be available within a week.)

2. Regional Leadership. The question of regional leadership was raised, and how it relates to the situation in San Jose. Specifically, there was discussion of "X" and "Y," both of whom have had a lot of organizational responsibilities. In the case of "X," the LE felt that he should continue to be on the regional leadership body, but that his organizational responsibilities should be considerably reduced to enable him to engage in mass work in San Jose. This recommendation will be made to the new regional leadership body. The same basic recommendation will be made for "Y," but the actual amount of organizational responsibilities she should have was left more open.

3. Workers Collectives. The possibility of merging the two workers' collectives was considered. One of the collectives ("A") has few people in it who are working and generally does not feel it has a clear notion of what to do as a collective besides read papers, reports, etc. (This collective lost its chairman due to the split.) In addition, there are several people in it who are in other areas of work and probably will not be getting jobs. (These comrades joined the collective after the "Maverick collective" was dissolved after the split.) The major arguments against merger was that it would hurt the collective ("B") in which people are working (i.e., it would make the collective too large and would hinder their efforts to sum up work, criticize and self-criticize, etc.), and that the best way to solve the problem of collective "A" is not to have a merger, but for the people in that collective to get jobs and pull their collective together. The LE concluded that a merger was not a satisfactory solution at this time, and that most comrades from collective "A" should actively seek jobs. In the interim until a more satisfactory solution can be found (which includes discussing the situation in collective "B"), this collective should continue to meet.

4. Gun Rip-offs. The San Jose pigs in recent weeks have been more than their usually obnoxious selves. Particularly aggravating are their rip-offs of the revolutionaries' and people's guns. The LE feels very strongly that this sort of behavior cannot go unanswered. Thus, the organization is planning to produce some propaganda centering around the people's right to keep and bear arms to be distributed widely in San Jose, especially at factory gates to inform working people of what's going on. In addition, we are planning a demonstration for Friday, Jan. 15, 2 p.m., to try to get the guns back. More information on this will be available soon.. We should try to bring people we're working with to this demonstration--especially community and working people.

San Jose Revolutionary Union (RU) held a meeting at JOHN and NANCY KINCAID's residence, San Jose, California, 9:00 a.m. on January 18, 1971. The meeting was chaired by VERNON BLACK. Others present were:

FOIA b 7 - D

First on the agenda was an announcement by LARRY GOFF. GOFF stated that he intended to leave the Venceremos and then align himself once again with the RU. He said that the reason he first left the RU was because BARRY and MARY LOU GREENBERG had had "no practice". It now looked like BARRY and MARY LOU are beginning to come around. In addition to this, BETTY GOFF has stayed in the RU and this had caused marital difficulties. GOFF wants to save his marriage so since there has been satisfactory changes within the RU, he wants to go back, which will also bring about keeping his marriage on an even keel.

JEFF BROWNING had accused the KINCAIDS, GOFF, and WOODY as well as a couple of MIKE GAYLOR's associates of being FBI Agents.

So when GOFF reached this point in his announcement, he addressed BROWNING by saying, "By the way JEFF, I hear you think I am a pig Agent. I would like to know your reasons".

JEFF said that he didn't have any. It was just something that he felt. BROWNING went on to state that when it all comes out in the end, everyone would see that he, BROWNING, was right. He said that he had ways of finding out. GOFF said, "I don't care what you or anyone else thinks about me being a pig. I think my practice speaks for itself."

FOIA b 7 - D

JANUARY 18, 1971
SAN FRANCISCO, CALIFORNIA

Also, before the meeting, VERNON had said that JEFF had been accusing everyone of being a pig and that he, BROWNING, would have to keep his mouth shut or get kicked out of the collective. VERNON also said that LARRY had thoroughly been checked out and that they had showed BROWNING proof that GOFF was well oriented but that BROWNING had not paid any attention to this.

During the collective meeting, no one paid any attention to BROWNING's comments concerning his accusations.

VERNON BLACK said that even though the GOFFs would be in the RU, they would be welcome in the BLACK home at any time.

It was at this point that GOFF left.

JANUARY 8, 1971
SAN FRANCISCO, CALIFORNIA

The San Jose Revolutionary Union (RU) held a [redacted] meeting at 7:00 p.m. on January 7, 1971 at NANCY BOROVOY's and LARRY CASQUIERO's residence on Jeanne Avenue in San Jose, California.

The Regional Committee meeting of the RU was discussed. There was a report by BARRY GREENBERG summarizing the RU struggle in San Jose. The report was very negative and was criticized by those present. GREENBERG said he would amend the report.

Equipment for the Regional Committee meeting was listed, which included sleeping bags, \$5 for food, a bag lunch, and a packet of information of the workshop. Those going were told to dress warmly. It was noted that the temperature would be 15° to 20° at night and of the two buildings at the meeting site, one was not heated.

It was decided to take four (4) automobiles, the GREENBERG's, BOB SAIBEL's, JULIE ROEMER, and ANGIE KALVALAGE. It was noted that the meeting place was "hours" away from San Jose.

Those going would be picked up at 7:30 a.m. on Saturday, January 9, 1971 and BETTY GOFF was to go with the GREENBERGS.

There was a short discussion on the draft. Those who have received their draft notices were instructed to postpone action by Selective Service as long as possible.

BARRY announced that there would be comrades from different parts of the country at the Regional Committee meeting to observe this activity. They would be arriving at the San Francisco airport between 6:00 a.m. and 6:00 p.m. on January 8, 1971. A delegation of two people from the East Bay area would be at the airport for the first six hours of this period to meet the comrades and two from the San Jose area would be there for the last six hours. One of those from San Jose would be JIM RANSOM.

JANUARY 8, 1971
SAN FRANCISCO, CALIFORNIA

Arrival times have been carefully arranged and well guided to keep the pigs from knowing that the comrades are in the area.

New regional leadership was discussed. The structure of the RU is to be changed to some degree as follows:

Out of the Regional Committee there will be a Regional Executive made up of thirteen (13) persons. This group will meet once every two weeks. Some of the Executive members will go to the National Committee meeting.

Also from the Regional Executive there will be a secretariate made up of approximately five (5) persons who will deal with RU problems on a daily basis.

The secretariate will be similar as to what the Political Committee is now. However, the Secretariate will deal only with Regional matters.

FOIA(b)(7) - (D)

The RU plans a demonstration in protest of the San Jose PD "rip off" of PERRY HARTLINE's guns which have not been returned. This demonstration is tentatively planned for Wednesday, January 13, 1971 at San Jose at the Police Department. There are plans to put out leaflets advertising this demonstration. It was noted that if PERRY's guns are given back before this demonstration, the demonstration will still be held to get CRAIG SCHUBERT's guns back.

It was noted that JUDY DARIDA O'NEAL is three months pregnant and that she does not like the RU. The Local Exec thinks that JUDY got pregnant on purpose in order to get DAN O'NEAL to marry her and hinder his work with the RU.

The Local exec pointed out that DAN should have asked the RU for permission to get married and also to get JUDY pregnant. JUDY is not in the RU.

BETTY GOFF got mad at this and said that those present were cold and "inhuman". BARRY GREENBERG lectured

UNCODED

JANUARY 8, 1971
SAN FRANCISCO, CALIFORNIA

BETTY on how inhuman capitalists are and how human communists are.

The result of this discussion is that BARRY is going to write a paper in reference to the communist family and personal relationship.

JIM RANSOM gave a report on the affinity group that he and LARRY CASQUIERO are working on. This group has six (6) people. Their duty is to discuss methods and to make political applications. Three (3) of this group are the secret persons that are to do illegal work. Two of these are JIM RANSOM and LARRY CASQUIERO. The other is a woman (opinion is that this woman could be ANGIE KALVALAGE, however no specifics). It was also pointed out at this meeting that KATHY DOLL is suppose to move in with ANGIE KALVALAGE.

FOIA b 7 - (D)

The collective discussed the Local Exec Notes and this led into a discussion on the Regional Committee meeting.

They then talked about the expulsion of BRUCE and JANE FRANKLIN from the RU. DARRELL GROVER pointed out that even though the FRANKLINS were off the main political line they were still revolutionary and the RU should maintain contact with them, at least to some degree. The collective disagreed. There was no conclusion reached, however.

There was a discussion concerning RON GRACIA and his relationship to the draft. RON said that on the day that he is suppose to report, he will not do so and will say that he overslept.

At this point there was a strongarm robbery at the Payless Gas Station across the street. A black man was trying to break in and rob the attendant at the station at knife point.

BETTY GOFF said when they noticed this, "Don't just stand there, do some thing". At this point DARRELL GROVER and LASS CASQUIERO went over to help the attendance and ANGIE called the police.

The black man saw CASQUIERO and GROVER approaching and ran off, then CASQUIERO and GROVER stayed with the attendant until the police arrived and then walked back across the street to the apartment.

After the incident, the collective members discussed it and agreed that the action on the part of the collective was a good application of mass line. They said that they were

glad that the robber got away but that it was right to support the attendant since he is a worker and the RU should always support the workers over the lumpen element.

GROVER said it was right to call the police, that it was their job to intervene. GOFF said that it was within mass line because the worker would have more confidence if he knew that the good communists had called the police.

S.J. Robbery Suspect A Loser-Twice

San Jose police arrested an armed robbery suspect last night after the man was thwarted in a holdup attempt and beaten off by the victim.

Police said George Orsua, an attendant at the Payless Service Station, King Road and Virginia Avenue, was accosted by a knife-wielding bandit and refused to open the cash register.

Orsua, armed with a billy club, backed off and locked himself in the station but the thief, wouldn't leave.

Instead, he smashed the door and tried to force his way in. Orsua warded him off with repeated blows with a the night stick, then called police.

Officers Bob Hollars and Darryl Richter spotted the suspect minutes later emerging from between some apartments a half block from the station, carrying a knife which he attempted to dump in a trash can.

Taken into custody was Albert Bolden, 24, of 1619 Blazer Way.

FOIA b 7 - D

The meeting was devoted mostly to criticizing the old Maverick newspaper and discussing ways to improve the new paper -- the same ideas, the same criticisms that have been brought up in the past.

The newspaper will be improved. It will not be put out by a majority of students but will be worker oriented.

DAN O'NEAL is to handle the paper files, such as photograph clippings, reference material, etc.

PERRY HARTLINE, CRAIG SCHUBERT, and BETTY GOFF were chosen as the editorial staff and will edit stories.

First on the agenda was a discussion of BETTY and LARRY GOFF. BETTY told [redacted] that she and LARRY had been having some terrible fights, mainly because of the fact that LARRY was over with the Venceremos and BETTY was with the RU. BETTY said it came down to one of three alternatives:

- (1) That Larry would have to come back to the RU.
- (2) That Betty would have to go to the Venceremos.
- (3) Both of them would have to quit everything.

BETTY went on to say that LARRY had made a confession and that he wants to come back to the RU. She went on to say that when he had left he thought he had good reasons, but realizes now he was not thinking too clearly. [redacted] discussed this and finally decided that if LARRY comes back to the RU, he could keep up his gunsmithing, but would have to do some other kind of mass work. He would also have to give a strong self-criticism and make everyone understand clearly what he has done and that he realizes his mistakes. It was also pointed out that he could not come back into the RU as a collective chairman.

[redacted] FOIA b 7 - D

JANUARY 15, 1971
SAN FRANCISCO, CALIFORNIA

It was announced that there would be a demonstration on January 15, 1971 at 2:30 p.m. in front of the San Jose City Hall. From there they would walk to the police administration building. The plans were then to have a group go inside the building and have the police push them out; however, it was emphasized that this demonstration was to remain peaceful because it would be a first step in order to start a drive along the theme of the right to bear arms. They wanted it to be peaceful so that they can get more worker behind the movement. It was pointed out that LARRY CASQUIERO would be one of the leaders in this demonstration.

The demonstration is being organized in order to protest the confiscation and the holding of guns of RU members recently by the San Jose Police Department.

There was a discussion of the Street Collective work at San Jose City College. Leaders of the work there are JIM RANSOM and PERRY HARTLINE. Others working in this collective are KATHY DOLL, MELODY HARTLINE, and LINDA SAKATA. This group had tried to have a literature table at San Jose City College and also to show movies but had not been successful and all the projects at the college have failed up to this point.

The Street Collective was criticized highly by the Local Exec. It was pointed out that that collective must apply mass line. The Local Exec recommended that a study group be set up within the collective in order to study MAO's comments on mass line.

It was announced that CHRIS MENCHINE would be on the Regional Executive.

The draft situation of various members was discussed. RON GRACIA should postpone for two months his induction and then if he has matured enough, he can go into the military service. CHRIS MENCHINE should also try to get a postponement. JIM RANSOM should go into the Army.

The relations between the Venceremos and the RU was talked about briefly. RU will continue to try to cool the situation. Both will not allow themselves to be pushed around.

January 20, 1971
NANCY BOROVOY's residence.

Those present [REDACTED] FOIA b 7 - D

[REDACTED] FOIA b 7 - D We talked of dividing this collective and this was to be the last meeting of this collective. GRACIA and GROVER are to go into the Workers Collective and the others are to go into a new community collective of which BARRY and MARY LOU GREENBERG will both be members. LUCY had a work report ready but didn't get to deliver it since this was the last meeting of the collective.

ANGIE KALVELAGE was not there because she had to go to Oregon to see some RU people there because they were having trouble with JEFF FREED.

Since this was the last meeting of the collective no other business was discussed.

[REDACTED] MEETING FOIA(b) (7) - (D)
1/26/71 at ANGIE KALVELAGE's house

Present were [REDACTED] FOIA b 7 - D

[REDACTED] The meeting in general was a discussion over attempts by the San Jose RU to publish a new newspaper since the old Maverick had gone with the split RU group. DARRELL GROVER was overheard discussing with BARRY GREENBERG his meeting with ED BERNSTEIN in San Francisco. GROVER mentioned that BERNSTEIN does not agree with the RU multi-national position since he sees this as coming into conflict with the BPP and Los Siete. GREENBERG commented that GROVER shouldn't pay any attention to BERNSTEIN and he stated that the BPP are not Marxist-Leninists.

RU AND THE MILITARY

JIM RANSOM went into the Army on January 26, 1971; however, it is not known where he has been sent.

CHRIS MENCHINE and RON GRACIA got their notices to report for induction during the first week in February.

[REDACTED] FOIA b 7 - D

CHICANO REVOLUTIONARY PARTY

Nothing is known about this organization but it may be identical with the group in the East Bay to whom GILBERTO ROMERO relates.

CHINA BOOKS AND PERIODICALS

The RU gets a 50 percent discount on everything at China Books & Periodicals. "Peking Review" is passed out in bulk to the area coordinators who in turn distribute it to the RU membership every week. However, it is not known what arrangements the RU has to obtain the "Peking Review" from China Books and Periodicals.

MARGO LNU

MARGO, a nurse, has been mentioned by RU members in San Francisco as being a member of the San Francisco RU.

SALLY SYKA

A photograph of SALLY SYKA, Santa Clara County Sheriff's #322150 may be identical to the SALLY SYKA who represented the Palo Alto RU in meetings of the Palestine Solidarity Committee, however, SALLY has not been personally observed in many months and no positive identification can be made from the photograph.

DEVERA SATISKY

A drivers license photograph of DEVERA SATISKY was observed and this individual is not known in connection with the RU.

A meeting of the San Jose Revolutionary Union (RU) [redacted] was held on February 7, 1971, at 1925 Poco Way, San Jose, California. In attendance were [redacted]

FOIA b 7 - D

[redacted] The meeting was chaired by LAURA and lasted for approximately three hours.

The first item of discussion was on the paper, "The Central Task" and the primary and secondary tasks of each member were discussed. Of course, the primary task of each member is ~~to get a job~~ on the job. The secondary task of the members will be such things as working on the new newspaper, selling the newspaper, and similar activity.

The next item was a work report by DARRELL GROVER, who reported on his efforts to radicalize workers in his plant. GROVER was criticized for not being active enough. However, he pointed out that he had brought various co-workers to demonstrations. It was recommended that GROVER attempt to bring some people from his plant to meetings of the newspaper and to RU educationals. GROVER also discussed his work with neighborhood young people, particularly blacks and browns, and it was recommended that he get together with KARL, who lives with NANCY BOROVY and LARRY CASQUIERO, working with Chicano kids, in order to arrange to have some of his neighborhood youth meet with KARL's group.

The last item discussed was the absolute necessity that all members of the collective sell the paper, "Salt of the Earth". The group was supposed to have an educational on MAO's "On Contradiction". However, they spent so much time discussing the above that they did not start the educational.

Inasmuch as no one brought in their financial reports, this has been deferred until the next meeting.

LARRY GOFF:

LARRY GOFF is understood to be in a state of limbo right now, not belonging to either the RU or to Venceremos, although he does have some contact with the Venceremos people.

FOIA b 7 - D

San Francisco, California
February 7, 1971

His wife, BETTY GOFF, is basically opposed to Marxism-Leninism and she just does not appear to belong with the RU. However, she has received preferred and special treatment because she is a real member of the working class, and the RU, like most radical intellectual organizations, has developed a certain ritualism in their treatment of true workers.

GILBERTO ROMERO:

GILBERTO ROMERO is still on the wagon; however, he has been unable to get a job and is considering returning to New Mexico.

MARY LOU GREENBERG announced that she had been to a meeting of the International Women's Day at San Francisco and they had decided to have a demonstration on March 7, 1971, at San Francisco. The details on actually how the RU is linked to that have not been given as yet.

Self-criticism was given by LARRY CASQUIERO. It was focused on the strengths and weaknesses as a leader in the organization. He needed further development. He had shown good leadership qualities but needed further development in his work with the masses. He is now looking for a job.

They gave out the recommendation that all collectives should set up study sessions on becoming a racial organization and on the Black Panther Party (BPP). Each collective should set up a regular study time for a regular study program. No dues scheduled. It was set up by the local exec that the more you make, the more you pay. In addition, all persons who get income tax refunds are requested to turn the money over to the RU central fund. If there is any desperate need, you are to put in your request to the central treasury and they decide if you get it or not.

There was a brief discussion on the present crisis in the U.S. imperialists' impending invasion of Laos and Negroes on welfare, the situation in Asia, and the financial crisis in the United States. Leaflets are being distributed on the campuses and factories in trying to link up to welfare and with students. There was a brief discussion about combating pig repression at San Jose, California. It was felt that the pamphlet put out saying that if guns are outlawed, who would have the guns, was well received. They felt that the demonstration against the

FOIA b 7 - D

San Jose Police Department was their victory because the pigs gave the guns back before the demonstration was even held. They should continue to follow up this area of struggle in the newspaper "Salt of the Earth".

Discussion was had over doing something around the JACKSON killing by the black and brown people and that the new community collective should appoint several comrades to do this. It was decided that the new community collective should take up the question of returning to the CAP and also the legal defense office. A local exec recommendation is that all daily reports summing up the central tasks that comrades have recently received from the regional committee should be discussed in a collective.

It was decided that everyone should sell the "Salt of the Earth" and should contact the distribution manager or chairman. The meeting was adjourned. The next meeting will be Thursday, February 11, 1971, at 8:30 a.m., 1925 Poco Way, Apartment 3, San Jose, California.

There was criticism aimed at the [redacted] [redacted]. It was pointed out that this collective had no real central task. Some of the members were too "liberal". The main problem with the former collective was that it ended up in a split.

The main task of the RU in this area should be to bring the proletarian ideology to the proletariat people.

There was discussion as to what proletarian ideology meant. It was pointed out that if the people in a factory can work together to put out a product, they can do the same to bring about a revolution, and people must be made conscious of this.

The central task of the [redacted] is to work on the "Salt of the Earth" newspaper and to use this as a tool to accomplish the task of the organization as noted above.

FOIA b 7 - D

There was criticism aimed at the [redacted] [redacted]. It was pointed out that this collective had no real central task. Some of the members were too "liberal". The main problem with the former collective was that it ended up in a split.

The main task of the RU in this area should be to bring the proletarian ideology to the proletariat people.

There was discussion as to what proletarian ideology meant. It was pointed out that if the people in a factory can work together to put out a product, they can do the same to bring about a revolution, and people must be made conscious of this.

The central task of the [redacted] is to work on the "Salt of the Earth" newspaper and to use this as a tool to accomplish the task of the organization as noted above.

A special meeting of the Revolutionary Union (RU) to reinstate LARRY GOFF back into the RU was held at the GOFF residence on January 27, 1971.

MARY LOU GREENBERG chaired the meeting. Others present were:

FOIA b (7) - (D)

LARRY GOFF was asked to tell why he left the RU to join the other organization and why he wanted back in.

LARRY said that he left the RU because of bad judgment on his part. Among his reasons were that he had criticism of local RU leadership. GOFF emphasized that he did not change his political line and has always believed in the RU philosophy as laid out in the Red Papers. GOFF stated that he joined the other organization because he felt he would be more able to "practice" the RU line.

LARRY said that he left the other organization because of (1) family contradiction, and (2) he saw that the execution of practice would not be any different in the other group because mass line still had to be applied.

LARRY said he wanted back in the RU because he felt he had made some bad mistakes and he elaborated on this. He also criticized BARRY GREENBERG, pointed out where GREENBERG could improve and BARRY accepted this.

At this point the group agreed to accept LARRY back into the RU.

ANGIE KALVALAGE is employed, although it is a secret
as to where. It is a factory type job.

NANCY BOROVY also has a job at the County Hospital.
LARRY CASQUIERO is now employed at Western Electric.

NANCY will eventually go to the workers collective.

CARL SCHACTER brought a work report. He talked
about his work at the East Side Teen Center. Most of the
young people who go to this center are from Piedmont High
Schools and are Chicanos and Blacks. SCHACTER said that a
couple of these were very interested in the revolution.

GOFF made the inquiry as to what SCHACTER's back-
ground was, who his family was and suggested he add this to
his report. SCHACTER replied that he had four younger brothers.
One of these brothers is in the RU at the Santa Barbara
collective. SCHACTER's mother and father are in Canada.
SCHACTER said that they believe in the revolution but they do
not want to become involved in it. SCHACTER said that all of
his brothers are involved or in the process of becoming involved.

Then SCHACTER led a discussion on dialectical
materialism. Four points of philosophical materialism were
discussed. However, this part of the meeting was quite
confusing.

FOIA b 7 - D

LINDA SAKATA is not going to go to Cuba. She has been taken off of the Venceremos Brigade. LINDA's future task for the RU will be decided at a later date.

PERRY and MELODY HARTLINE spoke. PERRY said that he is overworked and tired and is not well and he has too much to do. MELODY had the same complaints. The HARTLINES wanted those present to outline what the HARTLINES' task in the RU should be. PERRY's primary task will be the production of the paper. MELODY's primary task will be San Jose City College.

PERRY then gave a report. He said that he and CARL SCHACTER and LUCY O'NEILL recently went to San Francisco and met with Los Siete, MARIO MARTINEZ, and other RU representatives from other parts of the Bay Area. Los Siete is mainly concerned with San Jose because of the high percentage of Mexican-Americans in this city. Los Siete has another trial coming up so they want as much favorable publicity as possible. An RU Chicano will be coming down from the East Bay to San Jose to build up Los Siete publicity and to work at the East Side Teen Center.

The collective decided to disband the work detail on the Clacker Factory problem. The reason is that the workers are looking for other jobs.

LUCY O'NEILL brought a report concerning the JACKSON case, the escaped prisoner who was shot by the San Jose Police Department recently. LUCY said that people are responding and signing petitions, that at one point they had obtained 100 signatures in two hours. She estimated that in three weeks, they would have 2000 signatures. BARRY GREENBERG said in a kind of kidding manner that if the signatures do not work, "we'll just burn the pig station to the ground."

International Women's Day rallies were announced. On March 7, 1971, at Dolores Park, San Francisco, there will be a big rally. On March 8, at San Jose City College, San Jose, at 10:00 a.m., an illegal rally will be held led by MELODY HARTLINE and LINDA SAKATA. Then on March 8 at 12:00 noon, a rally will be held in the park across the street from the telephone company in San Jose. All of these rallies will be advertised through leafletting, posters, etc.

The local exec notes were read and this led to a discussion of RU finances. It was noted that members are to turn over their income tax refunds to the RU. A lot of people are not pleased with this particular edict.

A discussion of dialectical materialism which was led by CARL SCHACTER was held. It was pointed out in this discussion that DARWIN is the RU hero and that God does not exist.

There was a progress report concerning the Clacker Factory employment problem. The report was given by MELODY HARTLINE. It was noted that the people connected with the Clacker Factory are very unhappy with their situation. Some are talking about doing harm to the factory officials. BARRY GREENBERG said that "we should give these people some help on their illegal activities and should also provide them leadership. We'll call in some people from another area and get others from this area and take care of it in the next couple of days. We'll start it with picketing of the bosses' residences and make it look innocent."

There was a report from LUCY O'NEILL concerning the JACKSON shooting case. It was pointed out that there are petitions being passed out by ANGIE KALVALAGE on Blazer Way, BARRY GREENBERG in the Jeanne Avenue area, and another in the Tropicana area of San Jose.

A physical fitness report by LARRY GOFF was given. Everyone is to meet at the GOFF residence on Sunday at 1:00 p.m., and bring a bag lunch. At that time, they will receive maps and will go to the hills to job.

KATHY DOLL stated that she is having money problems. She is not getting anymore money from home, so it looks like she will need to get a job.

The proficiency report was given by LINDA SAKATA. Everyone received a 100 yard range target and instructions on how to sight a carbine. Each person is to shoot five rounds in a standing position, mark his target, fire five rounds in the prone position, mark the target, and then fire five rounds in the kneeling position. Targets are to be turned in, initialed, by the shooter by the end of the month.

The regional exec notes were discussed briefly.

LINDA SAKATA and PERRY HARTLINE gave a San Jose City
College report. They summed up why the street collective had
failed and their reasons for concentrating on City College.
The situation at City College at this point is hopeless. The
report was criticized. HARTLINE and SAKATA will have to redo
the report and present it again.

The HUEY NEWTON article in "The Black Panther" paper
was discussed. This was led by BARRY GREENBERG. This led to
a discussion of terminology. No one present knew what the
various terms meant, such as dialectical materialism. From
now on, an hour of the meeting will be devoted to study group
time.

LARRY GOFF was chosen was proficiency leader for the
collective. LINDA SAKATA will help him.

The treasurer will be MELODY HARTLINE. Political

LAURA gave a work report. There was nothing much of importance in it. She did not think she should be chairman of the workers collective but the local exec decided that she should continue in this capacity.

The invasion of Laos was discussed. Protests would be scheduled around more rallies on the San Jose State campus in the near future. They also planned to send out leaflets.

Finances were discussed. The regional committee has decided to change the structure of the financial program in the RU. A new paper will be put out concerning this. Each single person, if they make between \$400 and \$500 per month, must give 10% of their total income per month. If they make \$300, they will give 7% of their monthly income plus one weekly check, then graduate on down. Everyone is supposed to pay at least 3% of their monthly income. If a person does not have an income, he should pay \$5.00 per month. If a single person has a savings of \$250, the RU will be entitled to the excess over \$250. Families will be allowed more savings.

It was also noted that everyone has to turn in their income tax refund to the RU.

They discussed the HUEY P. NEWTON article in the last issue of "The Black Panther" paper. This article was not received too well by the local exec. The local exec tried hard to say something nice about it but it was difficult for them to do so.

JUDY, RON GRACIA's girl friend, non-RU, was present because she was waiting for GRACIA to get home. She did not take an active part in the meeting.

There were also a couple of students present, PAUL and a female.

The meeting consisted of criticism of the first issue of the paper. Basically, everyone thought that it was an excellent paper. However, there were three criticisms: first, the last paragraph of the Clacker Ball story which stated "Boycott Clacker Balls" was not received well at the factory because the employees thought that it would keep business down and they are not on strike. Second, those present did not think that Mrs. MARTIN LUTHER KING should have been criticized in the article on the ten most admired women. Third, the subscription box should have been on the back page instead of in the middle of the paper.

There was then a discussion concerning the stories for the next issue.

The regional exec notes were discussed briefly.

LINDA SAKATA and PERRY HARTLINE gave a San Jose City
College report. They summed up why the street collective had
failed and their reasons for concentrating on City College.
The situation at City College at this point is hopeless. The
report was criticized. HARTLINE and SAKATA will have to redo
the report and present it again.

The HUEY NEWTON article in "The Black Panther" paper
was discussed. This was led by BARRY GREENBERG. This led to
a discussion of terminology. No one present knew what the
various terms meant, such as dialectical materialism. From
now on, an hour of the meeting will be devoted to study group
time.

LARRY GOFF was chosen as proficiency leader for the
collective. LINDA SAKATA will help him.

The treasurer will be MELODY HARTLINE. Political
education leader will be KARL SHACTER. Physical fitness leader
will be LARRY GOFF. The security representative will be LUCY
O'NEILL, and LARRY CASQUIERO will stay on the local executive.

There was a short discussion concerning the paper "Salt of the Earth", and it was decided that BARRY and MARY LOU GREENBERG will be the distribution managers for the San Jose area. The paper paid for itself in its first week, making \$160. The cost of publishing was \$150.

LUCY O'NEILL is in charge of the Jackson protest. She stated that they had put out a leaflet that they have contacted JACKSON's mother. The mother has said that interested parties could do whatever they wanted to do, that she would remain in the background.

The Clacker Ball struggle will be approached through a work team made up of MELODY HARTLINE, GINO, CRAIG SHUBERT, and CATHY DOLL.

The local exec notes were read and this led to a discussion of RU finances. It was noted that members are to turn over their income tax refunds to the RU. A lot of people are not pleased with this particular edict.

A discussion of dialectical materialism which was led by CARL SCHACTER was held. It was pointed out in this discussion that DARWIN is the RU hero and that God does not exist.

There was a progress report concerning the Clacker Factory employment problem. The report was given by MELODY HARTLINE. It was noted that the people connected with the Clacker Factory are very unhappy with their situation. Some are talking about doing harm to the factory officials. BARRY GREENBERG said that "we should give these people some help on their illegal activities and should also provide them leadership. We'll call in some people from another area and get others from this area and take care of it in the next couple of days. We'll start it with picketing of the bosses' residences and make it look innocent."

There was a report from LUCY O'NEILL concerning the JACKSON shooting case. It was pointed out that there are petitions being passed out by ANGIE KALVALAGE on Blazer Way, BARRY GREENBERG in the Jeanne Avenue area, and another in the Tropicana area of San Jose.

A physical fitness report by LARRY GOFF was given. Everyone is to meet at the GOFF residence on Sunday at 1:00 p.m., and bring a bag lunch. At that time, they will receive maps and will go to the hills to job.

KATHY DOLL stated that she is having money problems. She is not getting anymore money from home, so it looks like she will need to get a job.

The proficiency report was given by LINDA SAKATA. Everyone received a 100 yard range target and instructions on how to sight a carbine. Each person is to shoot five rounds in a standing position, mark his target, fire five rounds in the prone position, mark the target, and then fire five rounds in the kneeling position. Targets are to be turned in, initialed, by the shooter by the end of the month.

MARY LOU said that she had a lot of work to do this week with the International Women's Day on May 8, 1971, and a lot of work next week in connection with the national committee meeting.

The International Women's Day rally is planned for San Francisco on May 7 at Dolores Park. JODIE FORRESTER is handling the finances for the San Francisco rally. They lack about \$200 and plan to sell stuff at the San Jose Flea Market next week to raise money.

On May 8, 1971, localized rallies are planned for each area. The San Jose rally will be in San Jose City College at about 12:00 noon, which will be followed by one downtown San Jose near the telephone company. This will be the most important one in San Jose. MELODY HARTLINE will possibly speak and security has been set up. Plans are being made to hand out leaflets and otherwise advertise these events.

MARY LOU is supposed to give a work report at the next local exec meeting. This meeting will be at 9:30 a.m., Friday, at BOB SAIBEL's residence, 1925 Poco Way, Apartment 3, San Jose.

ANGIE KALVALAGE is employed, although it is a secret as to where. It is a factory type job.

NANCY BOROVVOY also has a job at the County Hospital. LARRY CASQUIERO is now employed at Western Electric.

NANCY will eventually go to the workers collective.

CARL SCHACTER brought a work report. He talked about his work at the East Side Teen Center. Most of the young people who go to this center are from Piedmont High Schools and are Chicanos and Blacks. SCHACTER said that a couple of these were very interested in the revolution.

GOFF made the inquiry as to what SCHACTER's background was, who his family was and suggested he add this to his report. SCHACTER replied that he had four younger brothers. One of these brothers is in the RU at the Santa Barbara collective. SCHACTER's mother and father are in Canada. SCHACTER said that they believe in the revolution but they do not want to become involved in it. SCHACTER said that all of his brothers are involved or in the process of becoming involved.

Then SCHACTER led a discussion on dialectical materialism. Four points of philosophical materialism were discussed. However, this part of the meeting was quite confusing.

[redacted]
FOIA(b) 7 - D

San Francisco, California
February 26, 1971

LINDA SAKATA is not going to go to Cuba. She has been taken off of the Venceremos Brigade. LINDA's future task for the RU will be decided at a later date.

PERRY and MELODY HARTLINE spoke. PERRY said that he is overworked and tired and is not well and he has too much to do. MELODY had the same complaints. The HARTLINES wanted those present to outline what the HARTLINES' task in the RU should be. PERRY's primary task will be the production of the paper. MELODY's primary task will be San Jose City College.

PERRY then gave a report. He said that he and CARL SCHACTER and LUCY O'NEILL recently went to San Francisco and met with Los Siete, MARIO MARTINEZ, and other RU representatives from other parts of the Bay Area. Los Siete is mainly concerned with San Jose because of the high percentage of Mexican-Americans in this city. Los Siete has another trial coming up so they want as much favorable publicity as possible. An RU Chicano will be coming down from the East Bay to San Jose to build up Los Siete publicity and to work at the East Side Teen Center.

The collective decided to disband the work detail on the Clacker Factory problem. The reason is that the workers are looking for other jobs.

LUCY O'NEILL brought a report concerning the JACKSON case, the escaped prisoner who was shot by the San Jose Police Department recently. LUCY said that people are responding and signing petitions, that at one point they had obtained 100 signatures in two hours. She estimated that in three weeks, they would have 2000 signatures. BARRY GREENBERG said in a kind of kidding manner that if the signatures do not work, "we'll just burn the pig station to the ground."

International Women's Day rallies were announced. On March 7, 1971, at Dolores Park, San Francisco, there will be a big rally. On March 8, at San Jose City College, San Jose, at 10:00 a.m., an illegal rally will be held led by MELODY HARTLINE and LINDA SAKATA. Then on March 8 at 12:00 noon, a rally will be held in the park across the street from the telephone company in San Jose. All of these rallies will be advertised through leafletting, postens, etc.

BOB SAIBEL brought a work report which consisted mainly of self-criticism.

There was a short discussion concerning the International Women's Day activity and everyone was encouraged to attend the rallies in San Francisco and San Jose.

There was to be a rally at San Jose State College (SJSC) on March 1. BOB SAIBEL was to speak. The national committee meeting will be held in two weeks. BARRY and MARY LOU GREENBERG will go and will be gone for approximately a week. Possibly one more person from San Jose will attend.

It was noted that May 1 is May Day. Starting about a week before the 1st, there will be peace marches around the country and a demonstration in Washington, D.C. RU members are to be encouraged to talk to workers and enlist their support for May Day by encouraging them to walk off the job on the Friday before the 1st.

The "Salt of the Earth" will be back from the printers on the afternoon of March 2, 1971. RU members will have to get out and sell the paper.

There was a discussion concerning the RU multi-national paper. BARRY said that the RU does not agree with the conclusions of HUEY NEWTON in his paper but recognizes that he is attempting to apply Marxism-Leninism and a diplomatic rebuttal to NEWTON's paper will be written by the RU.

LEO GOMEZ spoke first. He stated, "I came from the Los Angeles Chicano movement. I was the head of the Chicano group at University of California at Berkeley, and have been an RU member for 2-1/2 months. I have come to San Jose to help in the Los Siete to raise support among the Chicanos."

GOMEZ is living in San Jose with NANCY BOROVVOY, LARRY CASQUIERO, CARL SCHACHTER on Jeanne Avenue. He is described as a Mexican-American male, 5'9" tall, 180 pounds, stocky build, approximately 25-27 years of age. He is very dark complected and has black hair. He is clean shaven and usually wears a black stocking hat.

The San Jose City College work report written by CARL SCHACHTER was passed out and then there was a long discussion. It could be summed up as follows:

The reason things have not gone well at San Jose City College is due to the lack of experience and not being able to apply Communism to the people.

Recently it was noted that last week at San Jose City College, people went around to classes to build support for the International Women's Day illegal rally, which is to be held on Monday, March 8, 1971, at the college. The reception was good.

MELODY HARTLINE was kicked off the campus for trying to form this illegal rally.

KATHY DOLL wrote a leaflet advertising the fact that MELDOY had been barred from the campus. During the circulation of the leaflets, the administration sent out a letter to the faculty telling them not to allow people in class for the purpose of advertising the rally or MELODY HARTLINE's banishment.

Then KATHY DOLL wrote up a petition and took it to the faculty lounge and got over 30 signatures from teachers who were appalled that the administration would dictate as to who would or would not be allowed to speak in their classes.

This led to a discussion of the tactics for Monday's rally. MELODY HARTLINE will go to the campus to speak. During her message, she will challenge the administration to come and throw her off the campus. There will be several people there to defend her if the pigs come in. They will do so by crowding around her. In order to get to the rally, MELODY will slip on the campus very early in the morning or after the crowd gathers. She possibly will have on a long wig and another coat which someone else will be carrying to disguise herself either before or after her speech. MELODY said that the wig drastically changes her appearance. After she speaks at the rally at City College, she is to get downtown to speak at the rally there.

Other tactics will be used if there is trouble but they were not discussed at the meeting.

There was a proficiency report by LARRY GOFF. People asked why the targets had not been completed. BARRY GREENBERG said that they would have to do with proficiency as they do with the dues. They are going to have to go and see people to make sure they give weapons, ammunition and targets. He said that the proficiency groups need a strong ideological struggle because they are not taking their job seriously. It is up to LARRY and LINDA to take the bull by the horns and straighten out the proficiency program. BARRY said, "If we believe that political power grows out of the end of a gun, we need to practice this."

Dues were discussed. MELODY is supposed to go around to the members and collect dues before the next meeting.

BARRY GREENBERG made the comment that the regional exec had decided that if North Vietnam was invaded by U.S. troops, there would be heavy demonstrations at San Jose State College and San Jose City College and also at open Army terminals. The mission would be to close the campuses. He said that the RU had already printed up leaflets in the event the invasion occurred and that tactics had been set.

Dues were discussed. MELODY is supposed to go around to the members and collect dues before the next meeting.

BARRY GREENBERG made the comment that the regional exec had decided that if North Vietnam was invaded by U.S. troops, there would be heavy demonstrations at San Jose State College and San Jose City College and also at open Army terminals. The mission would be to close the campuses. He said that the RU had already printed up leaflets in the event the invasion occurred and that tactics had been set.

The San Jose, California Revolutionary Union (SJRU) FOIA(b)(7) - (D) held a meeting at the GOFF residence, San Jose, on March 11, 1971, at 7:00 p.m. BARRY GREENBERG chaired the meeting. Others present were:

FOIA(b)(7) - (D)

First was a study group led by CARL SCHACHTER concerning dialectical materialism.

KATHY DOLL gave a work report, stating that her father is a judge in San Jose, giving other particulars concerning her family. She also said that her main strength is that she is not afraid to fight anybody. She then criticized herself for commandism and eliteism.

There was then a City College progress report. It was pointed out that everyone has been thrown off the campus and strong measures are to be taken by the RU to start a collective such as the Revolutionary Action Movement (RAM) group on the campus.

PERRY HARTLINE said that there was going to be a meeting the next night which would be a special meeting of the people from City College to decide what to do about the administration kicking people off of the campus. BARRY said that things like this should not be talked about in the collective meeting and that PERRY should hand pick the people he wants at this meeting and that there should be a meeting later on to discuss it.

LEO GOMEZ gave some history concerning his life and how he started in the RU. He stated that his strength is that he is able to organize, that his weakness is that people put too much on him. He cannot handle it all.

There was then a discussion concerning BETTY GOFF's situation and her sick mother in Lamore and the collective agreed that she should stay in Lamore to take care of her mother.
